Update on Action: Councillor Atkin to take back concerns over traffic backlog at the A6 spur.

Councillor Atkin explained, that he is in discussions with Highways England to meet with Parishes in Aston Ward to raise issues on the following round-a-bouts: A50 Junction 1 Shardlow, A50 Junction 2 A6 link and A50 Junction 3 Chellaston. They have agreed to come out so we will have more information on that in the near future.

Stenson Village as a through route, it will be closed again tomorrow due to the works starting to put the Canal Locke Gates in place.

Councillor Watson expressed frustrations with the A6 spur and urged the County Councillor's and Highways to continue to look into the matter. Councillor Watson suggested that the works being carried out could be considered to be carried out at night time.

M/A 16. Police Safer Neighbourhood Team (SNT) Report and Police Q&A

SNT Updated: 180 people arrested across all of Derbyshire during the Drink and Drug Drive Christmas Campaign.

MF asked if there was a pattern in vehicle crime, he was informed a lot is along the A50 with lorries being targeted and in services and villages just off the A50. Weston on Trent has recently been targeted, they tend to target a village at a time. Very easy for Leicestershire nominals to pop over the border, commit the offence and they're gone.

A lot of stop searches have been completed and people leaving their cars open contributes to the problem. Faraday bags have been given out to people who have key less car systems.

Cllr Muller asked if the figure of 180 was arrests for drink and drug? He was informed that it was, and that drug driving is increasing everywhere.

Cllr Hewlitt asked if it was an increase on last year, PC Boniface stated it was but they do stop more vehicles and have wipes that can detect drug use now so Police are detecting more rather than its rising.

Melbourne PC asked if they could do an event at Sainsburys car park dishing out Faraday Bags, PCSO Grenville stated that they do a number of community events giving out community safety freebies. MF asked if one could be done on Market square

ACTION: MF to provide contact to have event in Market Square,

M/A 17. South Derbyshire Community Safety Partnership/ Safer Neighbourhood Grants Update

CS updated the meeting.

Safer Spaces Meeting

This is a new meeting which has been set up to look at ASB and Crime issues in Urban Core, especially around the Parks and Open Spaces. A recent Contextual Safeguarding Survey carried out by Granville School showed fear of crime in parks - especially Eureka Park where there has been some high-profile incidents in recent years. The group is carrying out further consultation in schools and with youth groups to see what would make young people feel safer in these areas.

Op Sceptre & Knife Crime Prevention

This is an initiative we have supported the local Police Team in by providing chalk spray and stencils for use in the parks and for Social Media posts.

We have also been supporting Street Whyze in South Derbyshire Support Centre with 1-2-1 and group intervention around knife Crime.

Granville School have also bought in the 'Switch up' Theatre in Education Performance which is both interactive and engaging. Pingle have also booked the performance for this year and the Partnership will support the initiative in future years with a 50% contribution of each performance.

Safer Homes

CVS have won the Tender for The Safer Homes Scheme and will continue to operate the scheme for the next three years. The service installs security measures to victim's

and vulnerable people's homes free of charge. Self-referrals can be made, leaflets on the scheme are on the sign in table

Vehicle Crime Initiatives

We have located two hotspot areas along the A50 Corridor around the Swadlincote Area. CS has met with Inspector and Community engagement events have taken place around the area where tool marking kits were provided for van owners.

In addition, we are currently liaising with Balfour Beattie regarding some new A50 Signage.

ASB at Featherstone Road

Following reports of ASB at Featherstone Road (Boulton Moor) play area, joint partnership meetings were held with the Police, Riverside Housing and the Communities Team to look at tackling the concerns. Leaflet drops were done in the area to encourage reporting to the appropriate agencies, as reports were not being made to the Police or the Communities Team. Riverside Housing Officers also undertook visits to victims and SNT have increased patrols on the area. The area is continuing to be monitored.

May we take this opportunity to thank the local residents and businesses in South Derbyshire that have supported the Food Bank over the past year with financial and

M/A 19. Local Authority Update and Public Q&A

Public Spaces Protection Orders extended for 3 years

Throughout September 2022 the Council consulted on a proposal to renew seven Public Spaces Protection Orders.

Public Spaces Protection Orders (PSPO) are a control measure, intended to deal with specific nuisances or problems in a defined area that are “detrimental to the local community’s quality of life”.

PSPOs have a lifespan of three years and the seven existing Orders were due to expire in January 2023. The consultation processes identified widespread support for the continuation of the Orders and so the Council have extended them all until January 2026.

The seven PSPOs include:

Dog Fouling PSPO. Which makes it an offence for any owner not to pick up after their dog in all land open to the public in South Derbyshire.

Dogs on Lead PSPO. This makes it an offence for any owner not to keep their dog on a lead in any of the 23 parks and open spaces named in the Order.

Littering from Vehicles PSPO. This made the registered owner of a vehicle legally responsible for any litter thrown from their vehicle.

And the Staker Lane & Lowes Lane PSPOs. Which give the Council the power to put a gated entrance to a small length of public highway and prohibited unauthorised vehicles from accessing the lanes which are flytipping hotspots.

Breach of any of the PSPOs can result in a £100 fixed penalty notice or prosecution carrying a fine up to £1,000.

Copies of all of the Orders are published on the [PSPO section of the Councils website](#) and the Councils Environmental Health Facebook account contains regular information about recent fixed penalties which have been issued.

Social Housing Decarbonisation Funding – Wave One

Phase 1 works to extract and replace cavity wall insulation and install additional loft insulation have been completed at Kendricks Close (Hartshorne) and residents are already reporting being able to reduce the settings of their heating controls whilst remaining comfortably warm.

Work at Peniston Rise (Melbourne), Resthaven (Swadlincote) and Bailey Avenue (Overseal), has commenced and the final scheme at Gresley Woodlands commences in early February.

We have and continue to build a constructive working relationship with the contractor and the customer engagement activities are bringing positive benefits as evidenced by very few customer queries or complaints being received.

Phase 2 works to install high heat retention double glazing and doors at all properties is expected to start in early February with all works expected to be completed by 31st March 2023.

Voter Identification

From May 2023, all electors who wish to vote in person, including those acting as a proxy on behalf of another individual, will be required to produce an accepted form of photographic identification (photo ID) at polling stations before being provided with a ballot paper.

The Cabinet Office has decided to introduce this requirement to reduce cases of voter fraud. The requirement was brought in under the Elections Act 2022, and the relevant sections are now in force.

This requirement will apply to:

- UK Parliamentary General Elections
- Local Elections
- Local Referendums
- Police and Crime Commissioner Elections
- Recall Elections

The first poll this will apply to will be the local elections on Thursday 4 May 2023.

A comprehensive communications campaign will advertise the requirements in plenty of time across a broad range of channels before this policy is implemented nationwide.

What types of photo ID will be accepted?

Poll Clerks will be able to accept many forms of identification, including:

- Various concessionary travel passes
- PASS cards
- Ministry of Defence identity cards
- Photocard parking permits issued as part of the Blue Badge scheme
- Driver's licenses
- Passports

Expired photo ID will also be accepted, as long as the photograph is still a good likeness of the elector.

There are some information sheets with further information at the back of the room near the signing in sheet.

If you have any other questions or queries, please contact the Council Elections Office, or the Councils Website.

A member of the public explained they can see a lot of people not realising they need to take voter ID.

It was confirmed that that the information on Voter ID will be included on the Polling Card.

Councillors who are standing again to urge people to take ID with them.

Councillor Watson thanked Kevin Stackhouse for all of his service over the years!
