This is so that they can utilise this information as part of their organisational "Use of Resources, Key Lines of Enquiry" (KLOE) assessments.

5.0 Financial Implications

5.1 None.

6.0 Corporate Implications

6.1 In 2008/09 the Council was assessed at level 3 by the Audit Commission as an organisation that was performing well in relation to the KLOE relating to Governing

the Business which includes the promotion and demonstration of the principles and values of good governance, the Council once again scored 3 and it was noted that the Council has good partnership arrangements in place for securing governance. The work of the Standards Committee is instrumental in ensuring that we continue to enhance the organisation's good governance arrangements.

7.0 Community Implications

- 7.1 The Council's Standards Committee plays a vital role in promoting and maintaining the highest standards of conduct by councillors of South Derbyshire District Council and all the parishes in its area.
