4.1 At the last Meeting on 25th February 2010, it was suggested that the Committee may wish to discuss items from the monthly bulletins issued by Standards for England, along with recent case decisions. If this is the case, it is felt that an appropriate Forum for such discussions would be a workshop event, outside the confines of a formal Committee Meeting intended for the purpose of decision-making. These events could be organised on a six-monthly basis, the first of which could be on Tuesday, 22nd June 2010, subject to Members' availability.
