Details of representation (please use additional sheets where necessary)

I live near to Nadee and have seen that an application for a Premises Licence is being made to allow music to be played and alcohol to be sold until 1am, indoors and outdoors.

This is something I would like to object to in the strongest possible terms. I feel that if this licence was to be granted then I and the neighbourhood would suffer from the noise, disturbance and anti social behaviour because of the noise from events and customers arriving and leaving.

I have no objections to the licence being granted for music and alcohol consumption as long as it is for inside the building only and until midnight.

This area is normally very quiet during the early hours of the morning and in particular any arrivals or departures after midnight will cause a disturbance.

I am also concerned about the potential for damage to property if customers are allowed to leave in the early hours of the morning having drunk large quantities of alcohol since lunchtime.

I have had concerns in the past about the speed with which customers, who have been at a wedding reception from lunch time, who use our road as a race track. It has been used to show off and speed up and down several times.

If possible please suggest alterations to the application that would resolve the problem mentioned above, again paying attention to the licensing objectives

I think that limiting the licence to midnight,
and to the playing of music indoors only
would be a fair outcome.

Once the Licensing Section has received this form you will receive a written acknowledgement. Your representation will be forwarded to the applicant and/or their representative who may contact you in order to discuss your representations.

This form must be received by the Licensing Authority within the statutory representation period.
