Dear Sirs,

Re: Pending Premises Licence – Wedding Venue at Grangefields Farm representations deadline 17th October 2017

We have carefully read the details of the Licence application and note the “daily” plan for events closing at 1am.

We would appeal to the Licensing Committee to consider the following in accordance with Objective D – the prevention of public nuisance:

1. Specify and reduce the number of days when events could take place
2. Amend the event closure time to 11.30pm at the latest giving guests time to be away from the venue by midnight.

This would be a reasonable compromise in attempting to limit the impact this venture will have on our peaceful, rural community particularly late at night and in the early hours.

Yours faithfully,

Mr Michael H. and Mrs Ann Rennie
