N/A 16. Police Safer Neighbourhood Team (SNT) Report and Police Q&A

PCSO Thompson updated:

The SNT have had an extremely busy period with Christmas and New Year. With regards to drink and drug driving, there have been over 180 arrests made over South Derbyshire. CREST have been out frequently within the area monitoring speeding.

If there is anyone who would like to be involved in Community Speed Watch – please get in touch and the SNT can get you enrolled onto the training.

School patrols continue each week, as well as educational school talks too.

HGV's were previously set as a priority for the area, they see the issue on a daily basis. There has been a lot of hard work on the issue within the area by the team and partner agencies and please be assured, work will be ongoing for this matter.

Most feedback from the companies is that the Driver's Tom Tom's are not working correctly. The SNT have contacted over 30 different companies, never the same twice. The transport managers have taken the information on board, and we have received really good feedback from them too. We need to remember though, that on occasion, there will be some HGV drivers delivering locally.

The SNT recently took part in an Animal Welfare Warrant with the help of SDDC EH Team whereby the individuals being prosecuted pleaded guilty resulting in a positive outcome for us and SDDC.

The SNT have been working with the local Horse-Riding Community "pass slow and wide" scheme. We will be looking to support them further in the coming months.

Another good result for the team, a 42-year-old has been arrested on possession with intent to supply drugs.

At the recent awards night, your SNT won team of the year!

Op-sceptre will commence again on 15th May 2023.

Burglary Action Week will commence, 21st November 2023.

There have been numerous Vehicle Related Offences RE: no insurance and/or no license as well as both Drink and Drug Driving Offences.

Working with Stapenhill officers on a cross boarder Nuisance Motorbike issue around Burton sailing club area.

Sgt Nizzer updated that, in terms of the HGV issues in the area, it is a work in progress, and we will again be visible on operations which are up and coming.

Regarding staffing, there is going to be another PCSO added to the area working opposite shifts to Andrea. In the next coming months, there will be additional PC's added to the team too.

The Chair, Councillor Wheelton thanked SNT for their work.

Police Q&A:

A member of the public asked, in terms of E-Scooters what evidential aspects are needed to take action where a member of the public sees someone riding a scooter.

PCSO Thompson if it is a child riding the scooter, we would need their details so we could speak with their parents to educate them on the matter. Also, if it is an

adult riding them, again details would be needed, and we would expect them to be educated on the rules and regulations around them so the scooter would be seized.

Councillor Bridgen raised an incident in Rosliston whereby a resident was subject to a hit and run with an aggressive driver. A complaint was not dealt with in a timely manner, Cllr Bridgen asked how the police would deal proportionally with a serious incident like that, would this not be given higher priority?

Sgt Nizzer explained due to the incident being an ongoing investigation a comment cannot be made. However, there is a phrase called “golden hour” whereby we will look at what else is going on across the division and put our resources where they need to be in accordance with what else is going on. A discussion took place about the time span of an investigation.

ACTION: SNT to update Cllr Bridgen in response to specific incident raised.

Linton parish asked, will the police act on reports of illegal number plates?
Sgt Nizzer explained you can report them via the DVLA.

N/A 19. Local Authority Update and Public Q&A

Beat the Street

Beat the Street is coming to Swadlincote! From 15th March to 26th April, Swadlincote is being transformed into a giant game! Beat the Street is a free, fun, walking cycling and wheeling game, which gets staff, pupils and their families out and about in the local area, having fun and keeping healthy.

Beat the Street is designed to get children and communities moving by helping people to make small changes, such as walking or cycling to school every day, to improve physical and mental health and help embed physical activity into everyday life. So far,

1.6 million people and 5, 000 schools have taken part in games in 154 places across the UK and beyond.

School children and local communities will be able to collect their game cards and register to play. Game card readers called 'Beat Boxes' will be positioned around Swadlincote including outside schools and in parks. Each time a player taps the Beat Boxes with their registered cards, they will earn points for their school or community team. The total number of points will be counted on the leader board, and winning teams will win prizes for their efforts.

We will have lots of events and pop-up games taking place between 15th March and 26th April, so keep checking the website: www.beatthetree.me

Public Spaces Protection Orders extended for 3 years

Throughout September 2022 the Council consulted on a proposal to renew seven Public Spaces Protection Orders.

Public Spaces Protection Orders (PSPO) are a control measure, intended to deal with specific nuisances or problems in a defined area that are "detrimental to the local community's quality of life".

PSPOs have a lifespan of three years and the seven existing Orders were due to expire in January 2023. The consultation processes identified widespread support for the continuation of the Orders and so the Council have extended them all until January 2026.

The seven PSPOs include:

Dog Fouling PSPO. Which makes it an offence for any owner not to pick up after their dog in all land open to the public in South Derbyshire.

Dogs on Lead PSPO. This makes it an offence for any owner not to keep their dog on a lead in any of the 23 parks and open spaces named in the Order.

Littering from Vehicles PSPO. This made the registered owner of a vehicle legally responsible for any litter thrown from their vehicle.

And the Staker Lane & Lowes Lane PSPOs. Which give the Council the power to put a gated entrance to a small length of public highway and prohibited unauthorised vehicles from accessing the lanes which are flytipping hotspots.

Breach of any of the PSPOs can result in a £100 fixed penalty notice or prosecution carrying a fine up to £1,000.

Copies of all of the Orders are published on the [PSPO section of the Councils website](#) [and](#) the Councils Environmental Health Facebook account contains regular information about recent fixed penalties which have been issued.

Social Housing Decarbonisation Funding – Wave One

Phase 1 works to extract and replace cavity wall insulation and install additional loft insulation have been completed at Kendricks Close (Hartshorne) and residents are already reporting being able to reduce the settings of their heating controls whilst remaining comfortably warm.

Work at Peniston Rise (Melbourne), Resthaven (Swadlincote) and Bailey Avenue (Overseal), has commenced and the final scheme at Gresley Woodlands commences in early February.

We have and continue to build a constructive working relationship with the contractor and the customer engagement activities are bringing positive benefits as evidenced by very few customer queries or complaints being received.

Phase 2 works to install high heat retention double glazing and doors at all properties is expected to start in early February with all works expected to be completed by 31st March 2023.

Voter Identification

From May 2023, all electors who wish to vote in person, including those acting as a proxy on behalf of another individual, will be required to produce an accepted form of photographic identification (photo ID) at polling stations before being provided with a ballot paper.

The Cabinet Office has decided to introduce this requirement to reduce cases of voter fraud. The requirement was brought in under the Elections Act 2022, and the relevant sections are now in force.

This requirement will apply to:

- UK Parliamentary General Elections
- Local Elections
- Local Referendums
- Police and Crime Commissioner Elections
- Recall Elections

The first poll this will apply to will be the local elections on Thursday 4 May 2023.

A comprehensive communications campaign will advertise the requirements in plenty of time across a broad range of channels before this policy is implemented nationwide.

What types of photo ID will be accepted?

Poll Clerks will be able to accept many forms of identification, including:

- Various concessionary travel passes
- PASS cards
- Ministry of Defence identity cards

- Photocard parking permits issued as part of the Blue Badge scheme
- Driver's licenses
- Passports

Expired photo ID will also be accepted, as long as the photograph is still a good likeness of the elector.

If you have any other questions or queries, please contact the Council Elections Office, or the Councils Website.
