<b>ASB</b>	28	30

Sgt Graham Summers said that Area 1 had bucked the trend both nationally and in Derbyshire. The other five areas in South Derbyshire would not receive good news but Area 1 had done very well, with crime significantly down on the previous year. The only increase was in criminal damage but 17 offences in three months was a negligible number. The increase in drug offences was down to warrants which had been executed in Hilton.

PC Karen Martin confirmed that:

- A criminal damage in Hilton had resulted in a £200 fine for one offender.
- Drug warrants had been executed in Hilton.
- A new Neighbourhood Watch group had been set up in Hilton and a Community Speedwatch in Etwall.
- Police were aware of ASB in Lucas Lane.
- Damage to the public toilets in Etwall was dealt with by way of restorative justice.
- A Section 59 order was given to the rider of a motorcycle in Burnaston.
- An arrest was made in Hilton for supply of drugs.

Sgt Summers confirmed that dealing with one of the incidents of someone selling drugs in Etwall had taken a significant amount of work. Drugs had a huge impact on young people and the arrests were really good news. Councillor David Muller confirmed he was in the village at the time of the drug bust. He hoped it would set an example for the younger pupils at John Port School.

Councillor Lisa Brown congratulated the police on the figures. She said one blip she had noticed was dwelling burglaries, one of the most distressing crimes. Sgt Summers replied that there was a trend nationally towards increasing numbers of burglaries. There had been incidents across the area south of Derby. Catching burglars in the act was difficult and measures to counter them were also problematic, with acts such as leaflet drops having limited effect due to how spread out the offences were. Mr Smith (Communities Manager) added that he was sending out weekly updates to Neighbourhood Watches of incidents which had taken place. There was also a number of prolific criminals whose release from prison often coincided with a spike in reported crimes.

A resident asked how many offenders out of the nine dwelling burglaries had been caught. Sgt Summers replied that on the face of it there was little success in catching burglars. A lot of the time it was offenders out on licence or on suspended sentences. Statistics on the prosecution of travelling burglars tended to look better by year end, with one arrest potentially bringing in up to 30 burglaries. A resident reported that an elderly burglary victim in Egginton spoke very highly of how they were treated by police.

<p><b>4</b></p>	<p><b>Partnership update / funding / new project ideas</b></p> <p>Mr Smith gave an explanation on how the Safer Homes Scheme operated. He also updated the meeting on a domestic violence campaign running in Swadlincote where the back of till receipts from Argos were printed with information and a domestic violence helpline number.</p> <p>Safer South Derbyshire was also providing a weekly crime update for Neighbourhood Watch organisations across the district. Mr Smith believed that the old Derby Alert system could make a re-appearance in future.</p> <p>A hate crime talk had been delivered in Hatton at the CVS Community Forum.</p> <p>There was £4,000 available for crime and disorder schemes in Area 1. There had been no applications from the area so far in the financial year.</p> <p>Councillor Andy Roberts said that the previous year SDDC was going to put up bollards in an alley way leading to the playing fields at Hatton but nothing had yet been done. Mr Smith said he would need to speak to a housing offer at SDDC regarding the situation.</p>	
<p><b>5</b></p>	<p><b>Local issues – open forum</b></p> <p>A resident reported that on June 17 at 7.30pm there had been a nasty crash at the crossroads between Etwall Road and Carriers Road (A5132). They claimed that eight people were badly hurt in the incident, with two air ambulances and four land ambulances attending the scene. The crossroads, they said, were extremely dangerous and for years Egginton Parish Council had been raising the issue and trying to get something done about it. Carriers Road was a fast, straight road, and a lot of motorists failed to realise there was a crossroads there. They had contacted their DCC representative and he had referred the case on, saying he could only act on the advice of the police. Sgt Summers replied that DCC's Highways department had a degree of expertise on the situation. In his view, the obvious thing would be to put up extra signage and markings. Councillor Muller added that the issue had come up at Etwall Parish Council and his view was that the parish councils would have to get together to press the issue. Councillor Martyn Ford confirmed that a request for extra signs had been made but was turned down because of excess signage. He said there was a new style of sign coming out which he hoped could make a difference. A resident added that there were two give way signs, one of which was obstructed by a tree. It was also a give way junction and not a stop junction. The speed limit was also 50mph and residents felt it should be 40mph. Sgt Summers replied that DCC had particular formulae to take into consideration for speed limits.</p> <p>Councillor Billings reported that there had been problems with youngsters on scooters driving along a jitty near to the park in Etwall. The groundsman had found drug paraphernalia in the park and has smelt cannabis too. PC Martin replied that she had visited the area in the evening but had not been able to find anything. Councillor Roberts added that there was the same problem in the car park in Station Road, Hatton.</p> <p>Councillor Billings asked if Community Speedwatch groups could swap areas if they were not keen on patrolling the area where they lived. PCSO Kelly Horne confirmed that they could.</p>	

	<p>A resident reported that residents of Station Close, Etwall, had set up their own action group monitoring the speed of traffic outside John Port School. Their aim was to get the speed limit reduced to 20mph.</p> <p>A member of the public said that street lights in Mitchell Close were being switched off at night, with the residents concerned by the resulting darkness in their street. PCSO Kelly Horne replied that it was a county council issue.</p> <p>Councillor Amy Plenderleith reported that a road safety group had been formed in Hilton to encourage more road sense among parents. It had met 2-3 times. She asked if police could attend a meeting. The next one was on July 14 at 6pm.</p> <p>A resident complained about the parking situation outside Heath Fields Primary School, in Hatton. Drivers were parking on the bend in Field Avenue, causing a danger to pedestrians and other road users. Councillor Muller added that John Port School had the same problem.</p> <p>Etwall Parish Council had conducted a leaflet drop regarding the public toilets in the village. A straw poll was held and 119 residents wanted to keep the toilets open and 110 wanted to close them.</p> <p>Dennis Bateman (SDDC Neighbourhood Warden) reported that he was involved in consulting on Public Space Protection Orders for South Derbyshire's Parks and open spaces.</p>	
<b>6</b>	<b>Agreed priorities</b>	
	<ol style="list-style-type: none"> <li>1. ASB.</li> <li>2. Targeting drug use and dealing.</li> </ol>	
<b>7</b>	<b>Any Other Business / Date of next meeting</b>	
	TBA

On Tuesday, October 11<sup>th</sup>, 2016  
at 7.30pm.**

### Members:

District Councillors: Councillors Mrs Lisa Brown (Chairman), Andy Billings, David Muller, Mrs Julie Patten, Mrs Amy Plenderleith and Andy Roberts.

County Councillors: Councillors Martyn Ford and Mrs Julie Patten.

## **BUSINESS**

1. Apologies for absence.
2. Declarations of interest.
3. Chairman's announcements.
4. To note the minutes of the meeting held on June 27<sup>th</sup>, 2016 (copy attached).
5. Report back on issues raised at the last meeting.
6. Public questions on issues raised by residents.
7. County council issues.
8. District council issues.
9. Date of next meeting (TBA).

**SOUTH DERBYSHIRE AREA FORUM**

**AREA 1 – ETWALL**

**Monday, June 27<sup>th</sup>, 2016 at Sutton on the Hill Village Hall**

**PRESENT:-**

**District Council Representatives**

Councillor Mrs Lisa Brown (Chair), Councillor David Muller,  
Councillor Mrs Julie Patten.

Mike Haynes – Director of Housing and Environmental Services.  
Tom Sloan – Clerk.

**Derbyshire County Council Representatives**

Councillor Mrs Julie Patten.

**Parish Council/Meeting Representatives**

Alison Beatson (Hatton Parish Council), Chris Hall (Burnaston  
Neighbourhood Watch), Miles Nesbitt (Egginton Parish Council).

**Members of the Public**

Richard Hasking, Sue Jolly, Susan Nesbitt, Jean Parkinson, Graham  
Wale, Liz Woodcock-Jones, Phil Woodcock-Jones.

EA/1 **Apologies**

Apologies were received from Councillor Andy Billings, Norman Ireland,  
Lis Kolkman, Councillor Mrs Amy Plenderleith and Councillor Andy  
Roberts.

EA/2 **Declarations of interest**

None.

EA/3 **Chair's announcements**

Councillor Mrs Lisa Brown presented statistics from the recent European  
Referendum in the first Area Forum to be held "post-Brexit". There had  
been an enormous turnout of 76.8%, the biggest in South Derbyshire's  
history and higher than the national average. A total of 22,479 people in  
South Derbyshire voted to remain in the EU, while 34,216 voted to leave,

roughly a 60-40% split. It had been an overwhelming vote for out in South Derbyshire. Councillor Mrs Brown said she was quite concerned regarding EU funding being spent in South Derbyshire on projects such as Digital Derbyshire. Substantial grants were received. While SDDC did not have any EU funding, DCC did. Measures would have to be sought to safeguard initiatives such as Digital Derbyshire.

Part One of the Local Plan had been adopted by SDDC dealing with major housing sites in the district. Part Two was currently being consulted upon.

EA/4 **To note the minutes of the meeting held on January 13<sup>th</sup>, 2016 (copy attached)**

The minutes of the previous meeting were agreed as a true record.

EA/5 **Report back on issues raised at the last meeting**

Mike Haynes (SDDC Director of Housing and Environmental Services) had been requested to attend the meeting to explain what could be recycled by the council. He reported that every resident received a calendar for collection specific for the area in which they lived. Posted with it was a leaflet stating what could be put in each of the council's bins. It was not possible to cover every single product that was made but what was possible to put in the bins. What could not go in the blue or brown bins went by default into the black bin. Any further questions could be answered by SDDC's Waste and Recycling Team. New residents in the district were sent information about the services and how to look after wheelie bins as well as the role of the Clean Team. In all, six sides of A4 paper was issued to new residents.

In South Derbyshire, there was no charge for composting bins. Black and brown bins were collected by SDDC, while the blue bin was collected by a council contractor (Ward's) before the waste was moved to recycling firm Palm Ltd on Teesside for recycling.

A resident said the leaflet provided had often been recycled by residents. He produced an example of the sheet he had produced for people in Etwall which showed what went where in the various bins. He said he felt the issue was one of communication. He asked why the rules had changed on black plastic trays, something he claimed other authorities went into detail on. He asked if it was to do with recycling machines which relied on light being unable to process it. Mr Haynes said the situation was confusing in the UK, with different authorities having different rules. Some used the private sector to recycle and some kept it in house. He explained that black plastic was a contaminating material at recycling plants. Some contractors removed it and some didn't. Palm, SDDC's contractor, did not recycle

black plastic. This should have been publicised to residents, but Mr Haynes' predecessor did not do this.

Mr Haynes liked the poster produced by the resident and said he would take it back to his directorate to see what could be done with it. He agreed that the situation was confusing. South Derbyshire as a district did well to hit its targets. The bottom had fallen out of the plastic market due to the low cost of oil making it cheaper to make new plastic than recycle it. Councillor Mrs Brown asked if Brexit would make a difference to the market. Mr Haynes said that was unclear with discussions still to take place on withdrawal from the EU. Nothing would change in the next two years as the UK would still be a member.

A resident added that the whole discussion was about the symptom and that it would be better to fix the problem at source by using fewer black plastic items. He asked how pressure could be brought on the supermarkets. Mr Haynes replied that it was down to the individual to make consumer choices that would affect the supermarkets. For example, he bought loose oranges and not the ones sold in plastic netting. As a council, there was not a lot that SDDC could do. Councillor Mrs Julie Patten reported that she had written to South Derbyshire MP Heather Wheeler to take up the point with Government, which she had. Some lobbying of the supermarkets had taken place and Councillor Mrs Patten suggested writing to the MP to see what progress had been made.

A member of the public said that people were starting to reuse plastic bags but that it had resulted in the closure of plastic bag manufacturer in Preston, Lancashire. Mr Haynes replied that it was a sad result of a noble campaign.

Councillor Mrs Brown reported that SDDC had launched a food waste initiative. Mr Haynes added that the council had won the Sainsbury's £1m Waste Less Save More campaign.

Councillor Mrs Brown asked where the waste from brown bins went. Mr Haynes replied that it went to a county council location in Burton. SDDC's figures on composting were good thanks to the council not charging for brown bins.

A resident asked what could be done with Tetra packaging. Mr Haynes replied that they went in black bins.

A member of the public asked when his wheelie bin would be replaced as it had been delivered in 1999 with a lifespan of 10 years. Mr Haynes said he did not know why the bins had been given a 10-year lifespan. If one was damaged, it would be replaced, he said. However, the bins were holding up quite well and it tended to be the hinges that broke. There was no intention to replace the bins en bloc.

A resident said there was no facility at the Egginton Lane tip to dispose of brown bin waste. Residents had to travel to Burton to dispose of their garden waste.

**ACTION: Mike Haynes to find out where in the district residents can dispose of compost waste if they have more than will fit in their brown bin**

Mr Haynes said that the council provided a service to move heavy bins for vulnerable people.

EA/6 **Public questions on issues raised by residents**

A member of the public reported that she and her husband had been unable to vote in the referendum and wanted to complain about the elections team at SDDC. They had informed the council two months prior to the referendum of their need for a postal ballot before June 7. Despite being clear on the date, their ballot paper arrived after they went away on holiday and they were unable to complete and return it. Councillor Mrs Brown apologised on behalf of the council.

**ACTION: Tom Sloan to report residents' issue to Electoral Services**

A resident asked about two outstanding planning applications. They claimed that Bloor Homes had started working on their site in Etwall before planning permission had been granted. He thanked Councillor Mrs Brown for voting against the development and said surely it was now an enforcement issue. Councillor Mrs Brown, the vice-chair of SDDC's Planning Committee, said it was still a live planning application and so she couldn't comment on it. However, there was a liaison group being set up and she hoped the developer would act in a neighbourly fashion. A resident said that Bloor Homes was delivering containers for site offices in Willington Road. Councillor David Muller said he hoped the liaison group would be set up fairly quickly. Enforcement officers had been out to the site three times, he added.

EA/7 **County council issues**

Nothing to report.

EA/8 **District council issues**

Nothing to report.

Draft

**SOUTH DERBYSHIRE DISTRICT COUNCIL**

**ETWALL AREA FORUM**

(Covering Ash, Barton Blount, Bearwardcote, Burnaston, Church Broughton, Dalbury Lees, Egginton, Etwall, Foston & Scropton, Hatton, Hilton, Hoon, Marston-on-Dove, Osleston & Thurvaston, Radbourne, Sutton-on-the-Hill and Trusley)

**Tuesday, October 11, 2016**

**REPORT BACK ON ISSUES RAISED AT THE LAST MEETING**

At the last Etwall Area Forum held on June 27, 2016, at Sutton on the Hill Village Hall, the following issues were raised and a progress report is provided.

**South Derbyshire District Council issues:**

**1. BROWN BIN WASTE**

A resident asked where in the district they could dispose of garden waste once their brown bin was full during the summer.

**Residents can dispose of excess brown bin waste at the Derbyshire County Council Household Waste Recycling Centre, Park Road, Newhall, Swadlincote, Derbyshire, DE11 0TP. The facility at Egginton Lane, Etwall, is a commercial site operated by Biffa and not accessible to the public.**

**Adrian Lowery**

Direct Services Manager  
Housing & Environmental Services  
South Derbyshire District Council

**2. ELECTORAL ROLL ISSUE**

A resident complained that she and her husband were unable to vote in the European Referendum despite informing SDDC of their need to get a postal vote early.

**Issue reported to SDDC Elections team.**

**Tom Sloan**

Service Assistant  
South Derbyshire District Council
