Safer Spaces Meeting

This is a new meeting which has been set up to look at ASB and Crime issues in Parks and Open Spaces. A recent Contextual Safeguarding Survey carried out by Granville School showed young people were fearful of visiting some of the parks, especially Eureka Park where there has been high-profile incidents in recent years. The group met last week and also discussed recent issues at Hilton Youth Group

and at the Skate Park. Safe and sound will be doing some outreach work at the site, support is being looked at for the youth group volunteers and names of individuals have been passed to the police and Council ASB Officer.

Safer Homes

CVS have won the Tender for The Safer Homes Scheme and will continue to operate the scheme for the next three years. The service installs security measures to victim's and vulnerable people's homes free of charge. Self-referrals can be made, leaflets on the scheme are on the sign in table.

Vehicle Crime Initiatives

We have located two hotspot areas along the A50 Corridor around the Swadlincote Area. Our manager (Chris Smith) has met with Inspector and Community engagement events with the police have taken place around the area where tool marking kits were provided for van owners.

In addition, we are currently liaising with Balfour Beattie regarding some new A50 Signage.

Nuisance Motorcycle Work

Off Road bikes have been an issue on a large area of private land (owned by Severn Trent Water) in the Etwall /Egginton area. Contact was made with landowners, who confirmed that they had not given permission for the land to be used by bikes. Extensive patrols were undertaken, and warning letters /home visits were undertaken with a number of registered keepers of vans parked in the location and believed to be transporting the motorbikes. The VRMS of the vehicles were provided by members of the public.

Seven Trent Water erected a new fence, the motorbike track was cultivated up and the "shack" that had been built on the land was removed. Signs were also put up around the location by Police/CSP. We have since had no further reports, but the area continues to be monitored by SNT.

Safer Neighbourhoods Funding

E/A 19. Local Authority Update and Public Q&A

Public Spaces Protection Orders extended for 3 years - Throughout September 2022 the Council consulted on a proposal to renew seven Public Spaces Protection Orders.

Public Spaces Protection Orders (PSPO) are a control measure, intended to deal with specific nuisances or problems in a defined area that are “detrimental to the local community’s quality of life”.

PSPOs have a lifespan of three years and the seven existing Orders were due to expire in January 2023. The consultation processes identified widespread support for

the continuation of the Orders and so the Council have extended them all until January 2026.

The seven PSPOs include:

Dog Fouling PSPO. Which makes it an offence for any owner not to pick up after their dog in all land open to the public in South Derbyshire.

Dogs on Lead PSPO. This makes it an offence for any owner not to keep their dog on a lead in any of the 23 parks and open spaces named in the Order.

Littering from Vehicles PSPO. This made the registered owner of a vehicle legally responsible for any litter thrown from their vehicle.

And the Staker Lane & Lowes Lane PSPOs. Which give the Council the power to put a gated entrance to a small length of public highway and prohibited unauthorised vehicles from accessing the lanes which are flytipping hotspots.

Breach of any of the PSPOs can result in a £100 fixed penalty notice or prosecution carrying a fine up to £1,000.

Copies of all of the Orders are published on the [PSPO section of the Councils website](#) and the Councils Environmental Health Facebook account contains regular information about recent fixed penalties which have been issued.

Social Housing Decarbonisation Funding – Wave One

Phase 1 works to extract and replace cavity wall insulation and install additional loft insulation have been completed at Kendricks Close (Hartshorne) and residents are already reporting being able to reduce the settings of their heating controls whilst remaining comfortably warm.

Work at Peniston Rise (Melbourne), Resthaven (Swadlincote) and Bailey Avenue (Overseal), has commenced and the final scheme at Gresley Woodlands commences in early February.

We have and continue to build a constructive working relationship with the contractor and the customer engagement activities are bringing positive benefits as evidenced by very few customer queries or complaints being received.

Phase 2 works to install high heat retention double glazing and doors at all properties is expected to start in early February with all works expected to be completed by 31st March 2023.

Voter Identification

From May 2023, all electors who wish to vote in person, including those acting as a proxy on behalf of another individual, will be required to produce an accepted form of photographic identification (photo ID) at polling stations before being provided with a ballot paper.

The Cabinet Office has decided to introduce this requirement to reduce cases of voter fraud. The requirement was brought in under the Elections Act 2022, and the relevant sections are now in force.

This requirement will apply to:

- UK Parliamentary General Elections
- Local Elections
- Local Referendums
- Police and Crime Commissioner Elections
- Recall Elections

The first poll this will apply to will be the local elections on Thursday 4 May 2023.

A comprehensive communications campaign will advertise the requirements in plenty of time across a broad range of channels before this policy is implemented nationwide.

What types of photo ID will be accepted?

Poll Clerks will be able to accept many forms of identification, including:

- Various concessionary travel passes
- PASS cards
- Ministry of Defence identity cards
- Photocard parking permits issued as part of the Blue Badge scheme
- Driver's licenses
- Passports

Expired photo ID will also be accepted, as long as the photograph is still a good likeness of the elector.

There are some information sheets with further information at the back of the room near the signing in sheet.

If you have any other questions or queries, please contact the Council Elections Office, or the Councils Website
