#### VARIATION

Do you want the proposed variation to have effect as soon as possible?

Yes

No

Do you want the proposed variation to have effect in relation to the introduction of the late night levy?

Yes

No

You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable to the late night levy.

If your proposed variation would mean that 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

4000

#### Describe Briefly The Nature Of The Proposed Variation

Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.

We currently have a premises licence for public entertainment, including fireworks displays set to pre-recorded music. We wish to extend the catering facilities to include the sale of alcohol to members of the public, via an externally contracted supplier (bus bar or similar). The event is a 'picnic concert' which takes place in a hall field. The purchase and consumption of alcohol would take place entirely within the allocated grounds for the event.

**Section 16 of 17**

**LICENSING OBJECTIVES**

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

**Continued from previous page...**

We have considerable experience in managing events of this type and all objectives form part of our overall risk assessment and event planning.

**b) The prevention of crime and disorder**

This event is an all ticket 'high end' production, with a history dating back 19 years. Unlikely to attract individuals who are intent on behaving in a disorderly manner, or desire to commit crime. We have never encountered any crime or public disorder in the past. The event is well stewarded by a professional security company who are experienced in dealing with potential problems in this respect.

**c) Public safety**

The event is thoroughly risk assessed and managed by an experienced events team. The fireworks are located at a minimum safety distance of 100 metres from the audience. Crowd control and movement is clearly defined and managed.

**d) The prevention of public nuisance**

The location is well away from areas where locals would be inconvenienced. The fireworks displays, in total, have a duration of 40 minutes (4 x 10 minute presentations - the final display will be completed by 22.00 hrs).

**e) The protection of children from harm**

This is a 'family' event and children stay within family groups. Members of the public (including children) have no unsupervised access to danger areas (eg fireworks locations). There is a reporting procedure for 'lost children'
