## 3.0 Detail

3.1 Following the previous meeting of this Committee held on the 1<sup>st</sup> August 2007, (Minute Ref: OS/18), a report was presented to all Policy Committees seeking their views on this Committee's work programme, particularly in terms of projects and priorities.

### **Feedback from Policy Committees**

3.2 The feedback from the Policy Committees is outlined in Table 1 below:

*Table 1: Summary of Feedback received from the Policy Committees regarding the O&S Scrutiny Work Programme*

## Next Steps

- 3.3 Clearly, the Committee does not have the resources to undertake all the projects at the same time and will need to establish priorities.
- 3.4 One option would be for the Committee to focus on the high priority items between now and the end of December 2007; medium priority items between January and March 2008; and low priority items between April and May 2008.

#### **4.0 Financial Implications**

- 4.1 None arising from this report.
