Dear Colleagues

We write to inform you that a new Code of Conduct for Members will not be laid during this Parliamentary session. Communities and Local Government have notified us that the Government is concentrating on financial instruments and so there will not be Parliamentary time available for the Code.

In practice this means that a new Code will not now be laid until after a general election.

We are aware that many of you have been eagerly awaiting a new Code and so we wanted to inform you of this latest development.

Yours sincerely

Tim Leslie
