DETAILS OF REPRESENTATION.

I would like to start by assuring any interested party that I am in no way biased against the Nadee or its Proprietors. I have always supported Davinder Gidda and his Family in his efforts at the Nadee, in fact I have supported him wholly to the extent of attending hearings, in his support, at the local Council Offices on previous occasions when Planning Issues occurred. Also I have used the Nadee many times myself. However on this occasion I do have two specific issues.

Issues affecting me and my Family:-

1)

I am alarmed at the mention of 'Outdoor Performances' in the submission. The noise was bad enough when inside the old venue, although the brick construction of the new, it seems much larger, venue should help to alleviate this issue. However the mere thought of outdoor performances fills me with dread. I, like many, enjoy my Garden and sit out a great deal in better weather and do not like to think that somebody else's idea of 'nice music' could ruin my peace. Therefore I strongly oppose the idea of outdoor performances, particularly during extended evening sessions.

2)

Traffic. This is already becoming a big issue. I live practically on the blind bend between Willington Road and Heath Lane. There have been many minor collisions on this corner and quite literally hundreds on near misses. Large increases in volume, particularly in the hours of darkness would, in my opinion, be detrimental to public safety.

There is a growing trend to hire exotic sports cars for the day particularly at Weddings. These vehicles come in and out all day long during the day and they do not, generally, go slowly!

I have personally rang 'Nadee' during this activity to be told 'not our problem, what can we do about it'. Nadee has a duty of care to protect people from the actions of its customers on such occasions. Surely there should be some supervision of Car Park Activity, also a park and leave policy to prevent unnecessary coming and going?

For these specific reasons, I believe that any extension to the already considerable licencing hours is wholly unnecessary and will lead to the spoiling of what is (should be) a peaceful, tranquil, country setting.

LICENSING SECTION S.D.D.C.

If possible please suggest alterations to the application that would resolve the problem mentioned above, again paying attention to the licensing objectives
