2	Minutes of last meeting (to be agreed) and update on actions	
	The minutes were agreed as a true record of the last meeting.	
3	Safer Neighbourhoods Sergeant's Overview / Priorities Update	
	Sgt Thompson ran through crime statistics from 1 st April to the end of September, compared with the same period in 2012. Violent crime has reduced by 19%; Domestic burglary has increased by 1 offence Non-domestic burglary has remained the same as last year; Other thefts have reduced by 20%; Shop lifting has remained the same; Vehicle crime has reduced by 78%; Damage has increased by 40%, which equates to 8 crimes; Drug offences have decreased by 2%; 41% of all crime was detected; Anti-social behaviour has reduced by 19%	
	<ul style="list-style-type: none"> • One male has been charged with causing damage to vehicles. • A road safety operation took place on 11th October along with the CREST team and Customs and Excise on the A444 from 8 am until 1.30 pm. Over 150 vehicles were stopped with 1 having no insurance; 35 for seatbelt offences; 8 for using mobile phones; 1 not in control of their vehicle, 2 for excessive window tints; 10 for number plate offences; 5 for illegal tyres, 2 for defective lights, 7 for speeding and some stopped for using red diesel. Another operation has been arranged for a future date. • One individual has been arrested and charged for burglaries and one for handling stolen goods. • Shoplifting has increased across the whole of South Derbyshire. One male arrested for theft at the Co-op and currently the subject of an Anti-Social Behaviour Order application. • There has been an increase in neighbour disputes across Area 6, which the team have been actively dealing with. • Staff changes have been made to cover shifts over Halloween and Bonfire night, working alongside SSDP with posters and flyers. Extra patrols will also take place over Christmas and New Year. • Police raised that PCSO McMillan was now available to follow on Twitter. 	

	<p>Priorities update: -</p> <p>Greenacre Park – Police have patrolled this area following reports of eggs thrown and youths playing golf in a residential area. No-one has been seen playing golf and no evidence of eggs being thrown.</p> <p>Parking at Coton Park – Council re-roofing works are now complete and this matter seems to be resolved.</p> <p>One male from Overseal has been sent to prison for drug dealing.</p> <p>Speed checks have been carried out around Hillside Road and the A444</p> <p>Safety talks have been delivered to Linton School</p> <p>All secondary schools have received an internet safety presentation on keeping safe. Leaflets were available to take away from the meeting.</p>	
4	Partnership Update / Funding / New project ideas	
	<ul style="list-style-type: none"> • Phil Marriott confirmed that he had met with residents from Greenacre Park, who are going to put up an advisory notice about hard ball games. • A number plate security operation took place on 23rd September at Gresleydale Health Centre, Church Gresley, which proved to be a success. • The Police and Crime Commissioner came to Swadlincote on 17th September and attended a question and answer session at Sharpes Pottery. This was well attended by members of the South Derbyshire Neighbourhood Watch Co-ordinator's group. • The Summervibe sessions over the summer were again well attended at Newhall and Hilton. • Phil discussed Youth Restorative Justice Orders to address low level crimes and engaging the perpetrator to carry out work in the community. • Phil encouraged residents to become part of the community messaging service "Derbyshire Alert", where notifications of crimes and Police notices are sent out by email or text to those who subscribe. • The Safer South Derbyshire Partnership are now on Facebook and post regular news, events and community information. • One funding application has been received this quarter from Netherseal Village Hall for an intruder alarm. The application was for £788. A discussion took place as to whether this amount would be sufficient. The funding was duly granted. 	
5	Local Issues – open forum (20 minutes)	
	<ul style="list-style-type: none"> • Cllr Hall raised an issue with hedge cuttings and mud left on the A444 between the Co-op to the island at Linton. It was asked if Police could enforce the farmers to clean this up as it was dangerous. Police confirmed they had received one call from Linton Heath regarding this and the farmer had used his road sweeper to clean the road. Police confirmed that these incidents need to be reported in order that they can deal with or refer to Highways. • Resident raised that vehicles parked along Hillside was still making the visibility bad and cars were speeding • Resident raised that a man using a metal detector was gradually digging up the football pitch in Overseal • Netherseal Parish Council raised an issue with cars speeding into the village from the Cricketts junction. One vehicle had cut the corner so tight that it ended up mounting the grass verge and knocking down a bollard. It was asked whether a flashing speed sign would be beneficial. A discussion took place into the application process with DCC. • Appleby Glade residents raised an issue with speeding vehicles up to the traffic island. 	<p>Police to contact farmers about debris left on the roads.</p> <p>PCSO McMillan to attend</p>
6	Agreed Priorities	
	<p>Speeding along the A444 at the Cricketts pub.</p> <p>The meeting closed at 7 pm.</p>

LA/9. **APOLOGIES**

Apologies for absence from the Meeting were received from H. Wheeler MP

LA/10 **DECLARATIONS OF INTEREST**

None.

LA/11. **CHAIRMAN'S ANNOUNCEMENTS**

The recent introduction of kerbside plastics collection has proved to be a flexible and efficient service. Under 100 complaints received from 44,000 properties. A vote of thanks was given from residents to the new system.

LA/12. **MINUTES**

The Minutes of the Linton Area Forum held on 24th July were noted.

LA/13. **REPORT BACK ON ISSUES RAISED AT THE LAST MEETING**

The Chairman reviewed those items raised at the last Meeting and the Forum Liaison Officer reported the progress made in each case.

Digital Derbyshire – A significant step forward was taken in August when DCC signed a £27.75m contract with BT to make fibre broadband available to a further 88,000 premises across the county; bringing superfast speeds to more than 95% of homes and businesses by 2016. The project aims to ensure all remaining premises will also see uplifts in speed and deliver a minimum of 2mbps to almost all homes and businesses.

BT has begun work on the ground with engineers surveying locations around the county and analysing the best way to roll-out the programme. There will be a phased approach to the roll-out, with the first areas predicted to be upgraded in 2014.

The role of Broadband Champions is being re-launched as Digital Champions (hand-out available detailing what the role will entail). There will be no requirement to attend regular meetings; there may only be one a year as most of the information will be contained on the new website.

A Broadband Champion stated that the roll-out map is quite unclear; he has been asked by a number of local residents when they will be getting improvements and he is unable to answer. Another resident noted that the map shows that Netherseal and Overseal are 'not yet in programme'.

Cadley Hill roundabout – some rutting was identified on the roundabout which was dealt with as an actionable defect. A further inspection was carried out by the area Maintenance Manager who has now issued instructions for some carriageway patching to be undertaken. This will be carried out in conjunction with some patching works on the A444 (near Toons). No dates have been determined but it will be before the end of the current financial year.

Scotts bridleway between Mount Road and Hillside Road, Linton - another bridleway sign been installed at the northern end.

LA/14. **PUBLIC QUESTIONS ON ISSUES RAISED BY RESIDENTS**

It was raised that a sign for Toons before Appleby Glade directs traffic left into the cul-de-sac instead of left at the roundabout. This needs moving onto the next lamppost.

Forum Liaison Officer to action.

It was raised that a footpath had been blocked off on the new housing development in Church Gresley. This complaint was forwarded to the Forum Liaison Officer and was promptly resolved.

It was asked if DCC was planning to charge £40 a year to empty brown wheelie bins. The Chairman stated this was Derby City Council and North West Leicestershire Council. There were no plans for DCC to implement these charges.

Resident thanked the Council for cutting back hedges at Coton Park, Linton and that speed signs were now visible but the chippings had been left all over the road.

Director of Housing and Environmental Services to action.

It was asked if Overseal School would continue to receive the money raised from the paper recycling at the Overseal bring site. Director of Housing and Environmental Services confirmed that the Council will review the effects of the new kerbside recycling on bring sites and a report will go to Council on whether to retain each individual site.

Reference was made to flooding outside the Cricketts Inn going across the road and making it dangerous for motorists. Some initial investigations were carried out which established that the highway drainage crosses under an adjacent field and into a brook. It is suspected that there is a broken pipe in the field which may be the cause of the flooding in the carriageway. DCC have recently written to the landowner, requesting permission to access their land to investigate the matter further.

Forum Liaison Officer to update at next meeting.

Resident raised that flooding in Appleby Glade occurs as there is only one drain and this gets blocked.

Forum Liaison Officer to enquire if drain can be cleared out more regularly.

It was raised that a JCB used to clear out gullies along the lanes from Cadley Hill roundabout towards Drakelow but this isn't being done any more.

Forum Liaison Officer to make enquiries with Highways.

LA/15. **COUNTY COUNCIL ISSUES**

None.

LA/16 **DISTRICT COUNCIL ISSUES**

Director of Housing and Environmental Services thanked everyone for their patience with the new recycling collections.

The Local Plan Consultation will end on 15th November and can be accessed on the website. Leaflet was available at the meeting.

A Neighbourhood Planning Workshop is taking place for Parish Councillors in the Council Chamber on 12th November from 5.30 pm for a 6 pm start. Leaflet was available at the meeting.

Apple Day takes place on Friday and Saturday 25th and 26th October on Swadlincote Market Place.

The Council have a garden tree giveaway with 2 trees per household until 31st October, the trees will be issued in November.

LA/17 **DATE OF NEXT MEETING**

The date of the next meeting would be confirmed in due course.

R WHEELER

CHAIRMAN

The Meeting terminated at 7.55 pm

LINTON AREA FORUM

(Covering: Castle Gresley, Catton, Cauldwell, Coton-in-the-Elms, Drakelow, Linton, Lullington, Netherseal, Overseal, Rosliston and Walton-on-Trent)

29th January 2014

REPORT BACK ON ISSUES RAISED AT THE LAST MEETING

At the last Linton Area Forum held on 24th October 2013 at Overseal Village Hall, the following issues were raised and a progress report is provided.

Derbyshire County Council Issues:

1. Broadband Champions Meeting

We are at a very early stage and we'll get a clearer picture as the programme moves forward.

2. Cadley Hill Road, Castle Gresley: Signage for Furniture Superstore

Arrangements have been made to have the sign relocated as requested.

3. Acresford Road, Netherseal: Carriageway flooding

Some investigation works have already been carried out into this matter and it was discovered that the highway drain travels through the adjacent field and empties into a nearby brook. It is suspected that there is a broken pipe in the field which may be causing the flooding; we have recently contacted the landowner to obtain permission to enter their land and investigate further.

An update will be provided at the next meeting if available

4. Appleby Glade, Castle Gresley: Drainage issues

The gullies at this location were cleaned and jetted on 12th November 2013.

5 Cadley Lane/Cauldwell Road: Drainage issues

Instructions have been issued to in-house contractors to clean out the drainage grips at this location.
