Dear Sir

RE: Objective (d) The prevention of Public nuisance Grangefields Wedding Venue.

We wish to lodge our strong objection to music and dance until 1am also the serving of alcohol and refreshments until 1am.

The times need to be in line with other venues in the area, where the alcohol licence is 11.30 and carriages at midnight, in planning condition 3 guests must be off the site by one so there is not a need for a bar and refreshments until 1 o'clock. Reading the application it sounds more like a nightclub situation than a wedding venue we do hope you look at it very seriously for as it stands at the moment it is going to disrupt a lot of peoples lives.

Yours in anticipation  
Jim and Ann
