3.0 Detail

Introduction

3.1 Service Plans are a key part of the Council's performance management framework, acting as an important link between high-level plans and strategies, such as the Corporate Plan and Sustainable Community Strategy, and personal performance objectives established through the Employee Review and Development Scheme.

Form and Content

- 3.2 The form and content of Service Plans has been reviewed and minor changes have been made for this year's plans. This year's plans have been amended to capture a number of cross-cutting themes for the Council such as the Transformation Programme, Partnerships, Outcomes and linking priorities to budgets.
- 3.3 Each Plan contains sections on:
- Overview of the Service – workforce and financial information.
 - Service Performance – key achievements 2010/11; key strengths and areas for improvement;
 - Key National, Regional and Local Strategies;
 - Partnerships.
 - Consultation & Communication that we have undertaken and what's planned and how this will be used to shape delivery of services
 - Transformation Programme, including the efficiencies through Business Improvement, partnerships and procurement
 - Managing Risks
 - Action Plans
- 3.4 The appendices for each Service Plan can be viewed on the Council's intranet <http://harvey/misc/PerformMgtFrame/ServicePlan/FinalServPlan/>
- 3.5 The Service Plans reflect the current priority themes and outcomes within the Corporate Plan 2011/14 and Sustainable Community Strategy 2009/29 and these will be refreshed with new action plans being published in May 2011.
- 3.6 For this year plans cover a one-year period and these will be reviewed at the end of March 2011 to link in with these documents. Monitoring/progress reports on service plans will be made to Members as part of the quarterly performance monitoring reports.
