M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 9)

Bushcraft Show is a fun show/exhibition for all of the family and ensuring that we meet all of the licensing objectives is of paramount importance to us. Listed below is how we intend to comply with all of the objectives as individually detailed. Constant liaison with the appropriate authorities, medical cover and adherence to the Event Management plan (EMP) which details all of the events safety measures that are to be put in place to ensure that the Bushcraft show is a fun event.

The EMP associated with this event will be produced and forwarded to the SAG prior to the event taking place with the final version of the EMP being submitted as a condition of this licence a minimum of 28 days prior to the event taking place.

b) The prevention of crime and disorder

In order to ensure that the conditions of the licensing objectives are being met it is proposed that SIA registered personnel are used from a reputable licensed SIA approved company, who will ensure that Proof of age cards are being used. A Challenge 25 system will be in place. Any under 18's will have a coloured wristband easily identifying them for the potential for any underage drinking. There will be a random search policy and appropriate security measures as detailed in the event safety management plan. CCTV is also in place across the campsite.

c) Public safety

In order to ensure that Public safety is of paramount importance, detailed in the event safety plan, is emergency action plans including but not limited to Security, Fire safety, First Aid and emergency services access and egress. The capacity of the show has been limited to the licence capacity of 4,999 with a self-imposed cap for staffing levels of 3,500. This will be monitored via pre-event tickets sales and the remainder of tickets available on each day of the events. The appropriate amount of stewards and SIA door supervisors will be used to aid in the unlikely event of an evacuation. All staff will receive a briefing prior to the event and any associated risks highlighted, and appropriate action taken to minimise any risk.

d) The prevention of public nuisance

In order to ensure that any public nuisance is kept to a minimum we will ensure that the noise is closely monitored by using Wessex Safety Services to conduct regular noise assessments. Through advertising Local patrons will be informed of the show and all complaints should any arise will be dealt with in accordance with the details listed in the event safety plan. CCTV is also in place across the campsite.

e) The protection of children from harm

In order to safeguard all children attending the event we will ensure that there is a designated protection officer who will hold an enhanced level of DBS and will liaise with the relevant authorities should the need arise. Bar staff and SIA personnel on duty for ensuring that no intoxicating liquor is sold to anyone underage and the use of proof of age cards etc will ensure that we have taken the appropriate steps to protect any children from harm. Details of this are listed in the event safety management plan. Our underage alcohol policy will involve a Challenge 25 policy, refusal and incident logs and challenge officers will be in place to reinforce this policy.

Checklist:
