VIBRANT COMMUNITIES Communities that are vibrant and active where there is a strong sense of community				
South Derbyshire Partnership Owner Chief Executive SD CVS				
Difference we want to make Increased participation in voluntary and community action				
SD CVS Chief Executive	Co-ordinate at least 4 district wide events per year.	the number of groups involved in district wide events increases from 12 (2008/9) to 25 by March 2014.	On course to achieve the target early. (GREEN)	
SD CVS Chief Executive	Promote and develop community volunteering initiatives.	Maintain at least 175 active volunteering opportunities within organisations Increase the number of registered volunteering opportunities in the area to 550 by March 2014	Over achieved on target i.e. 201 active opportunities at end of March. A total of 462 opportunities have been available over the year. (GREEN)	

Resp Org	The actions we will undertake to deliver this are...	We will know when we have been successful when...	Progress (including narrative and judgement against Action – colour code box)	What is the future intention for this action
VIBRANT COMMUNITIES Communities that are vibrant and active where there is a strong sense of community				
South Derbyshire Partnership Owner Chief Executive SD CVS				
Difference we want to make Create an environment for a thriving third sector				
SD CVS Chief Executive	Continue to promote and develop the Compact.	the percentage of organisations that think the relationship between statutory and voluntary sector is good or very good increases from 79% (2008/9) to 88% by March 2014.	Review of survey suggests it was too small a response rate to be accurate. Live feedback would suggest no loss in confidence particularly at district level. (GREEN)	

Resp Org	The actions we will undertake to deliver this are...	We will know when we have been successful when...	Progress (including narrative and judgement against Action – colour code box)	What is the future intention for this action
VIBRANT COMMUNITIES Communities that are vibrant and active where there is a strong sense of community				
South Derbyshire Partnership Owner Chief Executive SDDC				
Difference we want to make We will make improvements in the management of Open Space and local sites to benefit their value to people and wildlife.				
Environmental Development Manager SDDC	To support and further develop the Environmental Forum holding at least three Forum meetings per year and encourage local projects to promote conservation.	Support 3 community groups or parishes to improve the biodiversity value of their local area each year	Programme for 2012 circulated. Two new groups and one existing group in the Findern area now working together, linked to Marina Development. Two groups working with EEP to plan new joint events/activities in 2012. (GREEN)	
Environmental Development Manager SDDC	To continue to work in partnership to promote Biodiversity and provide opportunities to get involved through the delivery of community environmental initiatives/events supported each year.	the number of individuals involved in conservation and site management projects increases from 1100 (2008/9) to 1600 by March 2014 (volunteer days)	Repton School have delivered 6 task days, 30 hrs total at Rosliston January - March. (GREEN)	

Resp Org	The actions we will undertake to deliver this are...	We will know when we have been successful when...	Progress (including narrative and judgement against Action – colour code box)	What is the future intention for this action
VIBRANT COMMUNITIES Communities that are vibrant and active where there is a strong sense of community				
South Derbyshire Partnership Owner Chief Executive SDDC				
Difference we want to make An increase in the percentage of people who feel South Derbyshire is an attractive place to live				
Head of Community & Planning	To promote Love Park Week and involve local partners in the operation of the parks'	To increase the level of satisfaction that local residents have with their parks.	Events during Love Parks week held and promoted on national website. (GREEN)	

Resp Org	The actions we will undertake to deliver this are...	We will know when we have been successful when...	Progress (including narrative and judgement against Action – colour code box)	What is the future intention for this action
VIBRANT COMMUNITIES Communities that are vibrant and active where there is a strong sense of community				
South Derbyshire Partnership Owner Chief Executive SDDC				
Difference we want to make Reduced carbon emissions per person				
Environmental Development Manager SDDC	Work in partnership to deliver national climate week initiative and link to health targets.	Number of partners providing events and activities in South Derbyshire increases from 12 to 15.	Swadlincote Chamber and 3 individual businesses expressed interest in being part of Climate Week and organising events. (GREEN)	

Resp Org	The actions we will undertake to deliver this are...	We will know when we have been successful when...	Progress (including narrative and judgement against Action – colour code box)	What is the future intention for this action
VIBRANT COMMUNITIES Communities that are vibrant and active where there is a strong sense of community				
South Derbyshire Partnership Owner Chief Executive SDDC				
Difference we want to make An increased number of people taking part in cultural activities				
Head of Community & Planning	Develop a programme for South Derbyshire's involvement in the 2012 Olympic Games.	the number of adults engaged in sport at least three times in the last 12 months increases from 21.4% (2008) to 25.4% in 2012 (NI 8).	Programme further developed and events progressed. School Sport Olympic Torches being promoted around the district. (GREEN)	
Head of Community & Planning	Review the Partnership's role in Neighbourhood Management and Support.	the percentage of organisations that think the relationship between statutory and voluntary sector is good or very good increases from 76% (2008/9) to 88% by March 2014.	Area Committees and Safer Neighbourhood meetings merged and Seminar held on Neighbourhood Plans for Parish Councils (30 attendees). (GREEN)	
Head of Community & Planning	To explore the feasibility of establishing a cultural education project linking Sharpes Pottery Museum, Mining Preservation and Environmental Education.	the three organisations provide opportunities for more young people each year from 2011/12	Final text and images with Designer and leaflet to be produced by early June next financial year. (GREEN)

VIBRANT COMMUNITIES				
South Derbyshire Partnership Owner		Chief Executive SDDC		
Difference we want to make		To better identify and plan the changing needs of the population.		
Policy and Communications Manager SDDC	To improve and increase dialogue between voluntary and community sector organisations (VCOs) and statutory partners, especially SDDC, by integrating the Values & Attitudes Group as a fringe group of the wide Voluntary Sector Forum.	The attendance by VCOs has increased from an average of 6 to 10 including representatives from specific communities of interest such as people with learning disabilities, faith groups, older people and younger people.	The last meeting of the Equalities and Communities Forum was held on 8th February 2012. A presentation was received from Vicky Smyth, the Council's Healthy Lifestyles Officer on the Healthier South Derbyshire project. Following this meeting and the Voluntary Sector Forum, it was agreed to go away and look at the format of these meetings to make sure we had the correct balance between Community Engagement and Equalities issues for the attendees. CVS have conducted a review of the VSF and the Communities and Equalities Group and whilst the feedback is positive, groups feel that holding the meetings on the same day causes confusion. The next meeting on 10th May will be held separately to the Voluntary Sector Forum. (GREEN)

Communities that people feel are safer places in which to live, work and visit SAFER COMMUNITIES				
South Derbyshire Partnership Owner		Leader SDDC		
Difference we want to make		Reduced occurrences of anti-social behaviour		
	Develop a scheme or programme of events where the Fire Service will work with targeted children and young people.	Reduce the number of secondary fires in the District.	Working with young people who have been caught setting deliberate fires in public open spaces. Referrals come through the Police Youth Involvement Officers. The young people get to work with local fire fighters to understand more about the risks associated with setting fires in public spaces. (GREEN)	

Resp Org	The actions we will undertake to deliver this are...	We will know when we have been successful when...	Progress (including narrative and judgement against Action – colour code box)	What is the future intention for this action
SAFER COMMUNITIES				
Communities that people feel are safer places in which to live, work and visit				
South Derbyshire Partnership Owner		Leader SDDC		
Difference we want to make		Further reduced levels of crime and fear of crime		
Safer South Derbyshire Partnership	To implement at least one district wide campaign aimed at reducing underage drinking.	Reducing incidents of criminal damage in the District from 12.5 (per 1000 pop) to 10.00 by March 2016.	Door to door Selecta DNA Initiative held in Castle Gresley on 13th and 14th December. 270 properties were visited and residents were provided with a pack and shown how to use the Selecta DNA Property Marking kits. Visits were made by Police Officers and PCSO's pairing up with Partnership Staff, Neighbourhood Wardens, CVS Safer Homes and Local Councillors. The event proved very successful and may be replicated in other areas. Vehicle Registration Initiatives in Boulton Moor and Willington planned for February. This is to combat a problem with thefts of number plates, Police, Partnership Staff, Fire Service and CVS Safer Homes will be involved. Total number of Outreach Projects thus far 4. Proxy Purchase Campaign planned for May where shops will be asked to sell alcohol in bags carrying the slogan 'Are these for you?'. (GREEN)

Communities that people feel are safer places in which to live, work and visit				
SAFER COMMUNITIES				
South Derbyshire Partnership Owner		Leader SDDC		
Difference we want to make		To reduce the fear of crime and promote that South Derbyshire is a low crime area		
Safer South Derbyshire Partnership	Extend the existing Rural Watch Scheme into other areas of South Derbyshire.	The percentage of residents feeling fairly or very unsafe when outside in their local area after dark has reduced from 24% (2008) to 18% by March 2014.	Farm watch continues to operate and expand within the rural areas. Approx. 18 farms now involved in areas including, Dalbury, Scropton, Etwall and Walton. (GREEN)	

Resp Org	The actions we will undertake to deliver this are...	We will know when we have been successful when...	Progress (including narrative and judgement against Action – colour code box)	What is the future intention for this action
Safer South Derbyshire Partnership	Hold at least 5 joint Community Outreach sessions with CVS across the District.	The percentage of residents feeling fairly or very unsafe when outside in their local area after dark has reduced from 24% (2008) to 18% by March 2014.	Door to door Selecta DNA Initiative held in Castle Gresley on 13th and 14th December. 270 properties were visited and residents were provided with a pack and shown how to use the Selecta DNA Property Marking kits. Visits were made by Police Officers and PCSO's pairing up with Partnership Staff, Neighbourhood Wardens, CVS Safer Homes and Local Councillors. The event proved very successful and may be replicated in other areas. Vehicle Registration Initiatives in Stenson Fields, Swadlincote, Boulton Moor and Willington secured more than 300 vehicles over the 4 events. This was to combat a problem with thefts of number plates, Police, Partnership Staff, Fire Service and CVS Safer Homes will be involved. Total number of Outreach Projects for the year = 5. Further vehicle crime ops with CVS planned in Melbourne and Hilton during May 2012. (GREEN)	

Resp Org	The actions we will undertake to deliver this are...	We will know when we have been successful when...	Progress (including narrative and judgement against Action – colour code box)	What is the future intention for this action
SAFER COMMUNITIES Communities that people feel are safer places in which to live, work and visit				
South Derbyshire Partnership Owner Chief Superintendent A Hough, Derbyshire Police				
Difference we want to make Fewer casualties from road accidents				
Derbyshire Police	To run at least 4 Speed Watch Schemes per year in local villages with speeding problems: (Local residents are informed of the scheme at the Safer Neighbourhoods meetings and are asked to get at least 6 local residents signed up to roll out the scheme. Each scheme will last for 3 weeks and then will move on to another area).	The number of people killed or seriously injured in road traffic accidents has reduced from 43 (2008/9) to 38 by March 2014 (NI 47)	4 schemes completed in Gresleywood Road, Church Gresley, Woodville Road, Hartshorne, Ticknall and Etwall completed over the Summer. Schemes currently being looked at in Sandcliffe Road, Midway and another in Swadlincote. (GREEN)	Continue to promote Speedwatch in the Area Safer Neighbourhood meetings and to people who complain about speeding in their local areas.
