Checklist for Safer Neighbourhood Funding Applications

Project Title…………………………………… **Area**………………………………

Contact Name………………………………… **Ref No:**…………………………

	Score: 1,2 or 3
1. Does the project meet at least one of the priorities of the Safer South Derbyshire Partnership Plan (2017-20)	
The application has identified how it will impact on at least 1 of the priority areas as listed below: 1. Anti-social behaviour (disorder and criminal damage) 2. Acquisitive crime (burglary, theft) and offender management 3. Domestic abuse and sexual violence 4. Creating stronger communities 5. Protecting those most at risk 6. Alcohol-related harm and substance misuse *If the project doesn't address any of the above priorities the application will have failed*	
2. What are the aims and objectives of the project? And how will the project deliver improvements in the priority areas addressed? Does it Add Value?	
Have they detailed clear aims & objectives? Is it clear how the identified project will impact on the identified priority areas? What value does it add to existing work if any? **Further Comments/ Info Required:**	
3. Why is the project needed? In relation to the priorities of the Safer South Derbyshire Partnership	
Issues are clearly identified and have persisted for some time or it is evident that they would be ongoing unless addressed. Issues are identified, but it is not clear that they will be an ongoing problem. No evidence of issues have been identified	
4. What evidence do you have that supports the need for the project?	
Comments (Recent incidents of crime, crime figures, police opinion, local consultation)	

5. Who will benefit?	
The application gives details of at least one local community group who will benefit from the project It is not clear from the application who will benefit from the project.	
6. Risk mitigation	
Potential risks to the proposed project been considered and identified where appropriate and potential actions identified to mitigate them? There is no indication that potential risks have been considered.	
7. How will the group be able to demonstrate that the project has made a difference? i.e.: Monitoring the success of the project?	
It is clear that there is a monitoring process and that it is appropriate for the project. There is no evidence that any monitoring will be undertaken.	
8. Matched funding	
Full matched funding requirement already secured. Match funding applied for but not confirmed. Matched funding not secured or applied for. *(If required Match funding is not met the project should be rejected or delayed until sufficient Match funding is secured).*
