AREA 6 – LINTON AREA SAFER NEIGHBOURHOOD GROUP

Present	Date of Meeting	Venue
<p>Carol Wright (Chair), Insp Kate Bateman, PCSO Dave McMillan (Derbyshire Police), Phil Marriott (Safer South Derbyshire Community Engagement Officer).</p> <p>Karen Bradford (Coton in the Elms Parish Council), Councillor Beth Hall (South Derbyshire District Council), Mary Horne (Walton Parish Council), Sue Jones (Overseal Parish Council), Paul Marbrow (Rosliston Parish Council), Brian Martin (Rosliston Parish Council), Councillor Pat Murray (SDDC), Janice Pallett (Castle Gresley Parish Council), Oliver Pallett (Castle Gresley Parish Council), John Powell (Linton Parish Council), MR Rhodes, Louise Ross (Rosliston Parish Council), Michelle Skinner (South Derbyshire CVS), Tony Stone (Netherseal Parish Council), Lynn Sullivan (Rosliston Parish Council), Arthur Webb, Sandra Webb, Councillor Bob Wheeler (SDDC), Steve Yates (SDDC Warden).</p> <p>Also present: Tom Sloan (Clerk), Helen Kreft (Burton Mail).</p>	<p>Wednesday, January 27, 2016</p>	<p>Rosliston Village Hall</p>

1	Chair's Introduction. Apologies	Action															
	<p>Insp Kate Bateman introduced herself to the meeting as the new section inspector at Swadlincote Police Station. Apologies were received from Councillor Kath Lauro (Derbyshire County Council), Councillor John Grant (SDDC), Sgt Graham Summers, Carole Knight and Sheila Jackson.</p>																
2	Minutes of last meeting (to be agreed)	Action															
	<p>The minutes were agreed. Councillor Pat Murray reported that leaflets warning residents to be careful with the disposal of their Christmas present wrapping paper and packaging had taken too long to produce to distribute to residents (under Item 4 from the previous meeting's minutes).</p>																
3	Safer Neighbourhoods Sergeant's Overview / Priorities Update	Action

Regarding a spike in sexual offences, PCSO McMillan said it related to historic offences now being reported. That was the only real change in the statistics relating to the area. Insp Bateman said it was a positive that assaults have increased as the figures related to familial crime which had previously gone undetected. Crime in Area 6 is steady, which Insp Bateman said speaks volumes for the area given the year on year increases seen generally.</p> <p>PCSO McMillan said that only eight crimes had been reported in Area 6 in the previous month, possibly a record for the area. He said there had been concerns around speeding in various parts of Area 6. Speed checks had been conducted in Hillside Road, Linton. Three motorists got Notices of Intended Prosecution (NIPs) for driving between 38 and 45mph while two other motorists were given warnings about their speed. Three of the five were coming from Castle Gresley to Linton so speeding is not just a problem coming down the hill. Three complaints were received about inconsiderate parking.</p> <p>PCSO McMillan added that two men had been remanded in custody for crimes committed in the Linton area.</p>	Dwelling burglary	12	7	Non dwell burglary	21	25	Theft of motor vehicle	6	7	Theft from motor vehicle	15	14	All theft (incl. other)	101	106	Damage (incl. arson)	32	48	Drug offences	7	11	All crime (incl. misc.)	227	224	ASB	181	176

4	Partnership Update/ Funding/ New Project Ideas																												
	<p>Phil Marriott reported that a Parking Pledge proposed by Castleton Park Neighbourhood Watch has brought the Safer South Derbyshire partnership a lot of enquiries from across the area.</p> <p>Mr Marriott reported on the partnership's recent activities including: Your Choice events at Granville School and reducing ASB in Swadlincote town centre. Several measures were in place. Community Protection Notices (CPNs) are being used while Public Space Protection Orders (PSPOs) could be employed. Mr Marriott said PSPOs could help the partnership to speed up its response to ASB.</p> <p>Mr Marriott then introduced Michelle Skinner from the CVS, who told the meeting her organisation is looking to increase the number of volunteers in South Derbyshire, especially younger volunteers.</p> <p>Mr Marriot said 9,500 residents in South Derbyshire were involved in</p>																												

	<p>Neighbourhood Watch and needed to be drawn into the formal way of dealing with volunteers.</p> <p>Regarding funding, Mr Marriott told the meeting of an application for a multi-use gaming area (MUGA) at Netherseal. Councillor Bob Wheeler asked for the view of the meeting. A resident said the area was very well used as a football pitch and basketball area.</p>	
5	Local Issues – open forum (20 minutes)	
	<p>A Linton resident thanked PCSO Dave McMillan for conducting the recent speed check. He also remarked that vans which had been causing nuisance parking in Linton had gone.</p> <p>Councillor Murray stated that he would still like to see some traffic calming in Woodville Road and Valley Road due to the speed motorists travel along both roads.</p> <p>A resident reported that inconsiderate parking had happened in the area and a pavement was damaged by a lorry which had been forced to mount a kerb.</p> <p>A member of the public asked for an accurate description of inconsiderate parking. Insp Bateman said the situation was the same nationwide. People insist on taking their children to school and parking as close to the school gates as possible. Mr Marriott said legislation was unenforceable and it might be a case of trying to shame those responsible in order to improve the situation.</p> <p>A resident reported a van parked entirely on the pavement in Bells End Road and a car left completely in the grounds of the Vicarage.</p> <p>Councillor Murray said shops were a source of inconsiderate parking too. It was happening in both Rosliston and Overseal, with shoppers using the street to park rather than the relevant car park. Traffic levels were getting worse, he said, and it was a huge issue being faced.</p> <p>A Rosliston resident reported that cars coming into the village from the direction of Swadlincote were “flying” past their house. PCSO McMillan said he had visited the location and very few drivers were caught speeding.</p> <p>SDDC Neighbourhood Warden Steve Yates informed the meeting of the Green Dog Walking Scheme being run to reduce instances of dog fouling.</p>	
6	Agreed Priorities	
	<p>Inconsiderate parking.</p> <p>Speeding.</p> <p>PCSO McMillan said the police were looking for volunteers for various roles. Councillor Murray said that in the past volunteers had been trained to operate speed watch equipment but that it was taken away.</p> <p>Insp Bateman said volunteers would in future be undertaking tasks such as washing police cars and carrying out inventory checks.</p>	

7	Date of next meeting	
	The date and location of the next meeting will be announced in due course.

LA/23 **CHAIRMAN'S ANNOUNCEMENTS**

Councillor Pat Murray told the meeting of a forthcoming Parish and Member Briefing session being hosted by South Derbyshire District Council.

LA/24 **THE MINUTES OF THE MEETING HELD ON NOVEMBER 18, 2015**

Councillor Murray proposed the minutes and Councillor Mrs Beth Hall seconded them. The minutes were agreed as a true record.

LA/25 **REPORT BACK ON ISSUES RAISED AT THE LAST MEETING**

Derbyshire County Council issues

Sunken Manhole covers

A member of the public reported that a sunken manhole cover in Cadley Hill Road, opposite the junction with Ryder Close, had been repaired. However, another manhole cover had sunk in William Nadin Way near the entrance to TNT.

ACTION: Tom Sloan to report sunken pothole to Derbyshire County Council

Rosliston – request for No Verge Parking zones

A member of the public complained that a proposal to bring in a No Verge Parking zone had been dismissed by DCC as unsuitable. Councillor Murray said that councillors and others attending Area Forums do take on board what is said and return answers to the meetings using their expertise.

South Derbyshire District Council issues

Empty House in Netherseal

At a previous meeting an empty house in Netherseal, which was falling into a state of disrepair, was mentioned. A resident asked for an update on the situation. Frank McArdle said that from time to time properties do end up in a state of disrepair. Councillor Bob Wheeler said that as long as confidential information was not being passed on, a report from SDDC's housing team could be requested for the next Linton Area Forum.

ACTION: SDDC Director of Housing to be asked for a report for the next meeting

LA/26 **PUBLIC QUESTIONS ON ISSUES RAISED BY RESIDENTS**

A resident reported that a post was lying in the hedge at the Flint Mill Crossroads.

A member of the public said, in reference to Rosliston, that parking restrictions would always cause problems. The more housing that was built in South Derbyshire, the worse the problem would get. He suggested the forum send a message to the planners at SDDC saying that they needed to start taking into account the increase in cars per household when planning was granted. He suggested that three to four spaces per household would be ideal. Mr McArdle said that SDDC was limited as to what it could do.

Councillor Mrs Hall reported her concern about the state of roads in the Seales area. She said there were some roads between Rosliston and Coton in the Elms that were deteriorating rapidly, along with Moira Road past Short Heath. DCC needed to come to the area and look at the road system and realise how “appalling” the situation in the Seales was, she said.

A resident said that if households were going to have three to four cars, perhaps parish councils could work to minimise the number of houses being built in villages around Area 6. Mr McArdle said that every planning application had to be dealt with on its merits. Part 2 of the Local Plan, which was currently in the process of being adopted, required SDDC to include an extra 600 around the district.

A member of the public asked for an update on the bypass and bridge proposal at Walton. Mr McArdle said there was nothing further to update since the previous meeting in November. He was still hopeful of the right decision being made in the near future.

Councillor Wheeler said that adoption of Parts 1 and 2 of the Local Plan would give South Derbyshire some protection against unwanted development. As for the Walton bypass, he had been told that Drakelow Developments were ready to start work in April – but would reserve judgement until the deal was sealed and in writing.

LA/27 **COUNTY COUNCIL ISSUES**

None.

LA/28 **DISTRICT COUNCIL ISSUES**

SDDC Budget

Mr McArdle told the meeting that a budget report went to members on January 14. SDDC’s financial position had stabilised in the past two years through

efficiency savings and good practice – and no council services had been cut for years. However, SDDC had come 45th out of 383 local authorities in terms of the level of cut to its Central Government grant, with a 14% reduction by 2017-18. Mr McArdle said the authority would find the savings through efficiency improvements. A Council Tax rise of 1.95% would be considered to help balance the books. He also said that South Derbyshire was the fastest-growing district in Derbyshire and income would be generated through the district being able to keep a proportion of its Business Rates in future.

A resident said it had been a masterstroke from Mr McArdle to keep Roger Bullivant in the area. Mr McArdle replied that the company had a good team of people and the people of South Derbyshire know how to make things, a tradition going back to past industries of coal mining and pipe making.

Sainsbury's 'Waste Less Save More' initiative

Mr McArdle told the meeting how South Derbyshire beat off 188 other entries to secure investment from Sainsbury's under its 'Waste Less, Save More' initiative. It was a massive opportunity for the district to improve its recycling, he said. Councillor Murray said the cost of landfill had increased and that people needed to be more efficient in their daily lives. A resident asked if shops could be persuaded to donate waste food to charities instead of throwing it away. Mr McArdle said that Sainsbury's was ahead of the game in this area, with any out-of-date food going to food banks.

LA/29 **DATE OF NEXT MEETING**

The date of the next meeting was to be advised in due course.

**Councillor Pat Murray
Chair**

The meeting terminated at 8.20pm.

REPORT BACK ON ISSUES RAISED AT THE LAST MEETING

At the last Linton Area Forum held on Wednesday, January 27, 2016, at Rosliston Village Hall, the following issues were raised and a progress report is provided.

Derbyshire County Council Issues:

Sunken Manhole covers

A member of the public reported a sunken manhole in William Nadin Way near the entrance to TNT.

The damage was reported to Derbyshire County Council and a repair was completed.

Tom Sloan

Service Assistant
South Derbyshire District Council

South Derbyshire District Council Issues:

Empty House in Netherseal

A resident asked for an update on the situation of the empty house in Stanley Close, Netherseal, which had ended up in a state of disrepair

The council's Private Sector Housing Team is aware of the poor condition of the property. The ownership of the property is currently entangled in legal probate. The Private Sector Housing Team is working with all of the parties known to have an interest in it to try to find a solution which will bring it back into productive use.
