Dear Sirs

Further to our recent telephone conversation and your representations of the 14th September we can confirm that our clients agree to the withdrawal of the request for 20 discretionary days per annum and agree the wording as to non specific sporting events at Box M

We can confirm that the request in relation to Bank Holidays is an alternative so that if the hours sought are not granted through out the year Bank Holidays will be granted as a restricted increase to the hours of operation.

We also confirm that as this is a new application and there are no grandfather rights the request for 24 hour facility for residents should be read as an non standard timing at Box M and can confirm that this is not an application for a 24 hour licence

The licensee is happy to discuss the requirements of the crime prevention officer and comply with his reasonable proposals

This premises has no history of disorder

Yours truly,

Michelle Hazlewood
