A total of 23 seatbelt offences, 14 for using mobile phones, 2 licences, 2 speeding, 2 for defective lights, 9 defective tyres, 8 window tints and 1 overweight. VOSA took 12 vehicles off the road. • A shoplifting operation commenced in October with two dedicated officers for 3 months culminating in 46 arrests and 3 released without charge. <p><u>Priorities update</u></p> <ul style="list-style-type: none"> • Road safety – locations were identified at Wood Lane and Edgecote Road. Tickets and warnings issued. Three accidents at Four Lane Ends, which 	

	<p>was a speed issue.</p> <ul style="list-style-type: none"> • Section 59 warnings issued to vehicles driving inappropriately. An operation was carried out with SNT members to target off-road bikes. • Parking at schools – patrols are carried out at dropping off and picking up times. All parents will be written to highlighting offences. • Boomerang Nursery – letters have gone out to all parents. PCSO’s have given talks to children. • DVLA have seized 6 untaxed cars. • Patrols have been increased at senior schools due to an increase in cannabis use. • Cllr Mulgrew thanked the Police for their hard work and that the majority of crime figures had decreased. • Resident queried how the Police would target un-taxed cars once tax discs were no longer issued. Sgt Thompson discussed a DVLA vehicle, which patrols the district with ANPR cameras (automated number plate recognition). 	
4	Partnership Update/ Funding/ New Project Ideas	
	<ul style="list-style-type: none"> • “Prison me, no way” took place on 27th November at William Allitt and 4th February at Pingle. • Fire Service’s YES project targets young people at risk of exclusion from school, promotes a positive role model and discipline and delivers road safety. • An event took place on the Delph before Christmas, which featured the fatal 4 causes of accidents. These are speeding; driving using a mobile phone; no seatbelt and under the influence of drink or drugs. This event also featured a mock-up casualty evacuation. • National Internet Safety Day takes place on 7th February and Relationships week runs from 10th to 14th February and engages domestic abuse services, the Partnership and Police. • Work has been carried out with the Shout Out group on disability hate crime to tackle and raise awareness by reporting these incidents. The group hope to develop a DVD. • A recycle bike pilot project is to take place in Newhall and Etwall over a 6-week period, working with vulnerable people. <p><u>Funding update</u></p> <ul style="list-style-type: none"> • A total of £1,000 was spent last year; £500 for the 4G Debate group and £500 for the Duke of Edinburgh Scheme. An application for lighting at the boxing club is still in draft form. • An application for £500 will be forthcoming from the Old Post Centre for an update to their CCTV system. 	
5	Local Issues – open forum (20 minutes)	
	<ul style="list-style-type: none"> • Cllr Murray raised that there was little police presence on the industrial estates. Many foreign vehicles are parked with no tax and insurance. A suggestion was made to develop an Industrial Watch scheme, which was welcomed by the businesses. • The parking issue of the North West Leicestershire van was discussed. Van has now moved off the junction to Parliament Street. A car has now replaced the van in need of repair. 	<p>Cllr Murray to liaise with Phil Marriott</p> <p>Police to patrol.</p>

	<ul style="list-style-type: none"> • Resident discussed the gun club with Police and what licences it required to operate. • Resident raised that those running events at the village hall sometimes receive abuse people parking in the car park for their own use. • Cars regularly park on double yellow lines at Oversetts Road close to a bad bend at The Crown. Parking on the top junction of Oversetts Road and Fairfield Crescent leaves no room for anyone to get through. • It was raised that buses cannot drop off at the bus stop at Stanton Village Hall as parents park in the bus stop. • It was raised that the dustbin lorry had to reverse out of Maple Drive as it couldn't drive through due to irresponsibly parked cars. • Residents of The Old Market Place raised that fly-tipping was an issue. Sgt Thompson confirmed that the Police carry out regular patrols around that area and hold regular meetings with Framework Housing. • Cllr Murray questioned whether there would be any cuts to Police, following the large budget cuts in the area. Inspector Lidsey could not guarantee this but confirmed that they were currently fully staffed and the SNT would continue to Police all areas. The area has a good reputation. • A discussion took place over the opening hours of Swadlincote Police Station and Sgt Thompson confirmed that the SNT teams work shifts and reactive officers provide 24 hour cover. There is a sign and telephone outside advising where to ring when the station is closed. 	<p>Police to patrol.</p> <p>PC Marriott to patrol.</p> <p>PC Marriott to liaise with Bus Co. and patrol.</p>

	To be advised.

The pre-submission consultation will go to a venue in each of the Area Forum areas for an afternoon/evening drop in session. The Local Plan will be submitted in June with a public examination likely to be in the Autumn this year.

NA/20 **MINUTES**

The Minutes of the Newhall Area Forum held on 14th November 2013 were noted.

NA/21 **REPORT BACK ON ISSUES RAISED AT THE LAST MEETING**

The Chairman reviewed those items raised at the last Meeting and the Forum Liaison Officer reported the progress made in each case.

Traffic lights on A444 at Stanton. Residents raised that the lights are not giving enough time and contested they were correct as they give only 8 seconds to pull out of Park Road and then the A444 traffic is on green.

Forum Liaison Officer discussed the wooded area from Garden King up the hill on Park Road and confirmed that the Highway were meeting UK Coal today regarding the footway. Overhanging branches on Park Road were not complying and the lower ones would be cut back.

Councillor Murray confirmed that contractors had been out today and carried out work along the hedges but the rubbish had all been left behind.

NA/22 **PUBLIC QUESTIONS ON ISSUES RAISED BY RESIDENTS**

Resident reported an increase in noise from the gun club and this has been referred to Environmental Health and recording equipment has been installed in his property. A change has occurred at the club in the last few months. SDDC are liaising with the gun club.

Resident raised that he had read in the Burton Mail that Council Tax was to increase by 1.99% and rents to rise by 5.5% in April. The Chief Executive confirmed that Council Tax rates had not yet been decided until the Council meeting due to be held on 20th February and full Council on 3rd March. Government information is due imminently. Council Housing Committee meeting to decide on housing rent was scheduled for 6th February. Councillor Wilkins discussed a proposal by the County Council, which was reported in the Burton Mail, but a decision by SDDC had not been taken. Forum Liaison Officer confirmed that it had been discussed at County Cabinet to increase Council Tax by 1.99% and a budget consultation was carried out at the end of last year.

Resident raised that County Council clean the rubbish from a culvert adjacent to the village hall. Rubbish was left on the bank and ended up back in the water. Culvert needs cleaning out again and the rubbish removed from site.

Forum Liaison Officer to make enquiries and report back to a future meeting.

It was raised that new public styles are not very wide and it is difficult for people to pass through. One in particular is near to the Manor House.

Forum Liaison Officer to make enquiries and report back to a future meeting.

Resident raised that there was rubbish along Woodland Road up to Cadley Island and Newhall Road to Newhall. It was recommended that the Clean Team are called out to clean up the verge.

NA/23 **COUNTY COUNCIL ISSUES**

It was raised that roads around the area are in a bad state of repair.

The Forum Liaison Officer confirmed that the County Council budget had been cut by 157 million pounds. A total of 36.7 million will be cut next year and residents can view the County's proposals and current consultations on the Derbyshire Challenge webpage www.derbyshire.gov.uk/challenge or by telephoning Call Derbyshire on 01629 533190. Current consultations are changes to the mobile library service and changes to adult care services.

NA/24 **DISTRICT COUNCIL ISSUES**

The Chief Executive confirmed that central Government have been reducing funding to the District from 2010 to 2018. Since 2010, 1.25 million has been taken from the base grant. The Council are making savings and economies without cutting services. Last year a total of £320,000 has been saved with a further £300,00 next year. A restructure has taken place with a reduction in management and services have improved, i.e. the new recycling scheme. Investments have been made into leisure facilities with an introduction of an artificial football pitch at Etwall. South Derbyshire is the fastest growing district outside London and the South East.

Councillor Mead stated that the district had 72,000 residents in 1984, whereas today that stands at 98,000.

The Chief Executive discussed a new private enterprise training centre in Swadlincote, which will enable locally trained people to gain local employment. A total of 42% of attendees at Burton College came from South Derbyshire, which has now become Burton and South Derbyshire College with the site in Swadlincote occupying 64,000 square feet, dedicated to construction trades. A new training centre is also planned at Cadley.

The Chief Executive discussed the new golf course in Swadlincote. An announcement by the golf company would be made on Thursday 13th February. It will be the largest putting green in the country, which is exciting for Swadlincote as a “pay as you play” centre.

When Peacocks closed in the Pipeworks development it was sad for the town. The shop will be returning and taking over the old Woolworth’s building in the High Street. They will be recruiting locally for staff.

Residents thanked the officers for the golf course development.

Councillor Wilkins discussed the former Masons Arms public house at Midway, which is to be turned into a Sainsbury’s. The inspector’s report states that residents will police the delivery traffic. The demolition process also raised issues at it adjoins a very busy road. Bus drivers also struggle to turn right at the lights without using the bus lane.

NA/25 **DATE OF NEXT MEETING**

The date of the next Meeting would be confirmed in due course.

MRS J MEAD

CHAIRMAN

The Meeting terminated at 8.30 pm

SOUTH DERBYSHIRE DISTRICT COUNCIL

NEWHALL AREA FORUM

(Covering: Midway, Newhall and Stanton)

Thursday 17th July 2014

REPORT BACK ON ISSUES RAISED AT THE LAST MEETING

At the last Newhall Area Forum held on 5th February 2014 at Stanton Village Hall, the following issues were raised and a progress report is provided.

Derbyshire County Council Issues

1. NEWHALL TRAFFIC LIGHTS ON A444

An engineer from DCC's Traffic Signals department checked the signals on 18 February, in response to the concerns raised at the forum.

There is adequate time for a cyclist to clear the conflict point at the junction, even from a standing start. The inter-green for this phase was increased by a second (to 8 seconds) a year ago, when the issue was previously raised at the forum.

2. WOODLAND ROAD, STANTON: BLOCKED CULVERT

Concerns regarding the culvert have been passed for the attention of our Flood Risk Team, for investigation and action as appropriate.

3. NEW STILES ON PUBLIC RIGHT OF WAY

It is assumed that the footpath referred to is the route running west-east past Stanton Manor (Footpath No.99) and continues past the rifle range.

The area's Rights of Way Assistant checked the footpath w/c 24 March and observed that there is only one stile on this route. It is acknowledged that the stile is narrow, but made of metal, and not something which you would easily tear clothing on. There is also a stile in the fence – at the side of the route – but this gives access into an adjacent field and not on an official Right of Way
