2	Nominations for vice-chair	Action
	Councillor Andy Billings announced that forms to nominate a vice-chair for 2017-18 were available at the back of the room.	
3	Minutes of last meeting (to be agreed) and update on actions	Action
	The minutes of the last meeting were agreed as a true record.	
4	Safer Neighbourhood Sergeant's Overview / Priorities Update	Action
	<p>Sgt Graham Summers reported that he was still unable to provide detailed crime statistics for Area 1.</p> <p>PC Joe Stafford introduced himself to the meeting as the replacement for PC Karen Martin. Since arriving in November in Area 1 he had:</p> <ul style="list-style-type: none"> • Issued a Section 59 warning to a moped which failed to stop. • Helped to deal with nine separate drug offences, mostly related to cannabis. One warrant had been positively executed in the Hatton area. • Dealt with one shoplifter. • Sent out five letters to local youths who had started a fire in the Mease, Hilton. • Dealt with 12 driving offences, including three drink-drivers. • Responded to one incident of harassment in Etwall. • Dealt with two dangerous dogs incidents. 	

	<p>High-visibility patrols had been undertaken in response to a suspicious male at John Port School.</p> <p>Police were currently dealing with a large amount of disorder which occurred in Hilton.</p> <p>A male had been charged with indecent exposure in Hilton in December.</p> <p>On March 11 at Scropton Village Hall tamper free number plate screws were being handed out and property marking undertaken.</p> <p>Dwelling burglaries and theft from motor vehicles were the priorities in the area – the same as across the division.</p>	
5	Partnership update / funding / new project ideas	
	<p>Shaun Woodcock, from the Safer Neighbourhoods team at SDDC, reported that he had been working with local secondary schools in an effort to raise parents' awareness of child sexual exploitation, sexting and cyber-crime. Children were getting plenty of education on the subjects so it had been decided to focus on parents.</p> <p>Regarding hate crime, Mr Woodcock said figures in South Derbyshire were relatively low but he argued that there was still a problem. He had held three surgeries and one victim who came forward was a 63-year-old man with a significant disability. He had endured taunts from local youths for the previous 10-15 years. He had approached Mr Woodcock and the issue was now being dealt with.</p> <p>The Safer Homes Scheme was still available.</p> <p>No new funding bids had been received from Area 1, but there was still time to make an application before the end of the year. Councillor Julie Patten asked how much money was left in the pot. She also confirmed that property marking was at Scropton between 10am and noon on March 11.</p>	
6	Local issues – open forum	
	<p>A resident reported that a very aggressive window salesman had been operating in the Etwall area. It was someone doing a job in Mill Meadow Way and the Bancroft. PCSO Kelly Horne said it had been reported to police. Councillor Patten reported that the salesman had knocked on her door and she was concerned that vulnerable people could fall victim to such salesmen.</p> <p>Councillor Lisa Brown asked if the phenomenon of people dressing as clowns and surprising members of the public had come and gone. Sgt Summers replied that there was one incident reported near Swadlincote but no-one had been spoken to about it.</p>	
7	Agreed priorities	
	<p>Sgt Summers said there were no priorities he could see and policing would continue as usual.</p>	

	<p>A resident asked what was happening with a troublesome group of youths in Hilton. PC Stafford replied that the members were now known and reports about their behaviour had decreased recently.</p> <p>Councillor Andy Billings said he had received one report of inconsiderate parking in Hilton and would forward the email onto PC Stafford.</p>	
8	Any Other Business / Date of next meeting	
	<p>After the meeting terminated at 6.40pm and the following Etwall Area Forum could not start for 50 minutes, SDDC Director of Community and Planning Stuart Batchelor said he would review how the meetings worked in future. The date of the next meeting was to be announced.</p>

EA/19 **Apologies**

Apologies were received from Paul Jameson.

EA/20 **Declarations of interest**

None.

EA/21 **Chair's announcements**

Councillor Mrs Lisa Brown announced that Part II of the South Derbyshire Local Plan had been submitted to the Government Planning Inspectorate. Stuart Batchelor added that SDDC had been notified of the inspector appointed but dates were awaited. March was the earliest an inspection of the plan was expected. It would be adopted in May or June.

EA/22 **To note the minutes of the meeting held on October 11th, 2016 (copy attached)**

The minutes were approved as a true and correct record of the previous meeting.

EA/23 **Report back on issues raised at the last meeting**

Councillor Mrs Brown reported that Derbyshire County Council Area Forum Liaison Officer Paul Jameson would no longer be appearing at the meetings and there would be no replacement. However, any issues for DCC would be reported back through the meeting. If bigger issues arose, attempts would be made to secure the attendance of a relevant officer.

Councillor Martyn Ford said he felt all the Area Forums should write to DCC to complain about the situation. Mr Jameson had only found out about the decision a week earlier.

Councillor Mrs Amy Plenderleith asked if the meeting's thanks could be passed onto Mr Jameson.

Councillor Mrs Brown added that Mr Jameson was a reliable attendee whose answers were always well-researched. A suitably worded letter would be written to the county council to thank him for his efforts.

ACTION: Tom Sloan and Stuart Batchelor to draft a letter to DCC

EA/24 **Public questions on issues raised by residents**

Councillor Andy Roberts asked why DCC wasn't fixing street lights like it had in the past. He had reported six or seven lights and they hadn't been repaired.

ACTION: Councillor Andy Roberts to compile a list of lights in need of repair

Councillor David Muller reported that a speeding sign in Egginton Road, Etwall was flashing but no longer indicating a speed. Councillor Ford said a new sign was going to be fitted and information had been sent through to Etwall Parish Council the previous week.

Councillor Roberts reported a large pothole in the footpath between Station Road and Heath Way, Hatton. It was causing pedestrians to trip over and needed repairing.

ACTION: Issue to be reported to Derbyshire County Council

A resident said that Burnaston Parish Council had arranged to get a black wheelie bin at the top of Green Lane as the area was covered in litter most of the time. It had been installed in the summer but had only been emptied once. Councillor Muller replied that the bin was supposed to be on the round for SDDC's bin lorry and would be added in future.

ACTION: Issue to be reported back to South Derbyshire District Council

Councillor Ford highlighted irresponsible parking at Etwall Leisure Centre. Footways were being blocked and double yellow lines ignored. Mr Batchelor said there was an ongoing parking capacity problem at Etwall. John Port School had opened up an overflow car park but the issue was that the public weren't using it and instead parking on verges. SDDC was looking at the situation but resurfacing the overflow car park would help.

A resident reported that coaches bringing children to Etwall Leisure Centre were parking right in front of a bus shelter. Mr Batchelor replied that schools had been told this was unacceptable and that leisure centre staff could challenge a bus driver over their parking.

EA/25 **County council issues**

None.

EA/26 **District council issues**

Mr Batchelor updated the meeting on the budget status of SDDC. Reserves were healthy and a balanced budget was predicted for the next two years. Reserves were forecast to remain above the minimum statutory level for the next five years. However, the Government's Rate Support Grant was going to be reduced from £1.2 million a year to zero by 2019-20 – a 15% cut in funding. Government funding was being shifted to help fund adult social care. SDDC would need to rely on Council Tax, Business Rates and the New Homes Bonus to balance its books. However, the New Homes Bonus was being 'top sliced' to help fund adult social care. By 2018-19 the projected deficit was £800,000 a year so there were two years to tackle it. Funding the deficit meant either using reserves which would not be replaced or developing a savings plan over the next two years.

A Council Tax rise of 1.9% was planned and would be discussed at Full Council on March 1. DCC was looking to raise Council Tax by 3.95%, with an extra 2% allowed by Government to help fund adult social care.

EA/27 **Date of next meeting**

The date of the next meeting would be announced in due course.

Councillor Mrs Lisa Brown
Chair

The meeting terminated at 7.56pm.

SOUTH DERBYSHIRE DISTRICT COUNCIL

ETWALL AREA FORUM

(Covering Ash, Barton Blount, Bearwardcote, Burnaston, Church Broughton, Dalbury Lees, Egginton, Etwall, Foston & Scropton, Hatton, Hilton, Hoon, Marston-on-Dove, Osleston & Thurvaston, Radbourne, Sutton-on-the-Hill and Trusley)

Monday, January 30, 2017

REPORT BACK ON ISSUES RAISED AT THE LAST MEETING

At the last Etwall Area Forum, held on January 30, 2017, at Hatton Jubilee Hall, the following issues were raised and a progress report is provided.

Derbyshire County Council issues:

1. Street light repairs in Hatton

Councillor Andy Roberts asked why DCC wasn't fixing street lights like it had in the past. He had reported six or seven lights and they hadn't been repaired.

ACTION: Councillor Andy Roberts to compile a list of lights in need of repair

The lights in question were repaired when Councillor Roberts undertook a tour of the village. DCC's Street Lighting department has been experiencing a backlog of repairs, causing delays in repairs being undertaken, and have therefore been unable to put a specific timescale on how long repairs will take.

2. Pot hole in Station Road, Hatton

Councillor Roberts reported a large pothole in the footpath between Station Road and Heath Way, Hatton. It was causing pedestrians to trip over and needed repairing.

ACTION: Issue to be reported to Derbyshire County Council

The local Rights of Way Inspector has advised that a job has already been added to their maintenance list and it is hoped that they will be able to carry out surface improvement works during this financial year. The inspector checked Public Footpath No.5 on site on April 27 and confirmed that the pothole has been filled.

Paul Jameson
Area Forum Liaison Officer
Derbyshire County Council

South Derbyshire District Council issues:

1. Thanks for Paul Jameson

Councillor Mrs Amy Plenderleith asked if the meeting's thanks could be passed on to Paul Jameson.

Councillor Mrs Lisa Brown added that Mr Jameson was a reliable attendee whose answers were always well-researched. A suitably worded letter would be written to the county council to thank him for his efforts.

ACTION: Tom Sloan and Stuart Batchelor to draft a letter to DCC

A letter was written to Mr Jameson after the previous meeting thanking him for his efforts on behalf of Etwall Area Forum.

Tom Sloan
Service Assistant
South Derbyshire District Council

2. Wheelie bin emptying in Green Lane, Burnaston

A resident said that Burnaston Parish Council had arranged to get a black wheelie bin at the top of Green Lane as the area was covered in litter most of the time. It had been installed in the summer but had only been emptied once. Councillor David Muller replied that the bin was supposed to be on the round for SDDC's bin lorry and would be added in future.

ACTION: Issue to be reported back to South Derbyshire District Council

The bin schedule sheets have recently been updated and unfortunately the bin at Green Lane was omitted from this in error. It has now been added to the updated sheets. This is scheduled to be emptied every Monday.
